BUILDING OUR FUTURE

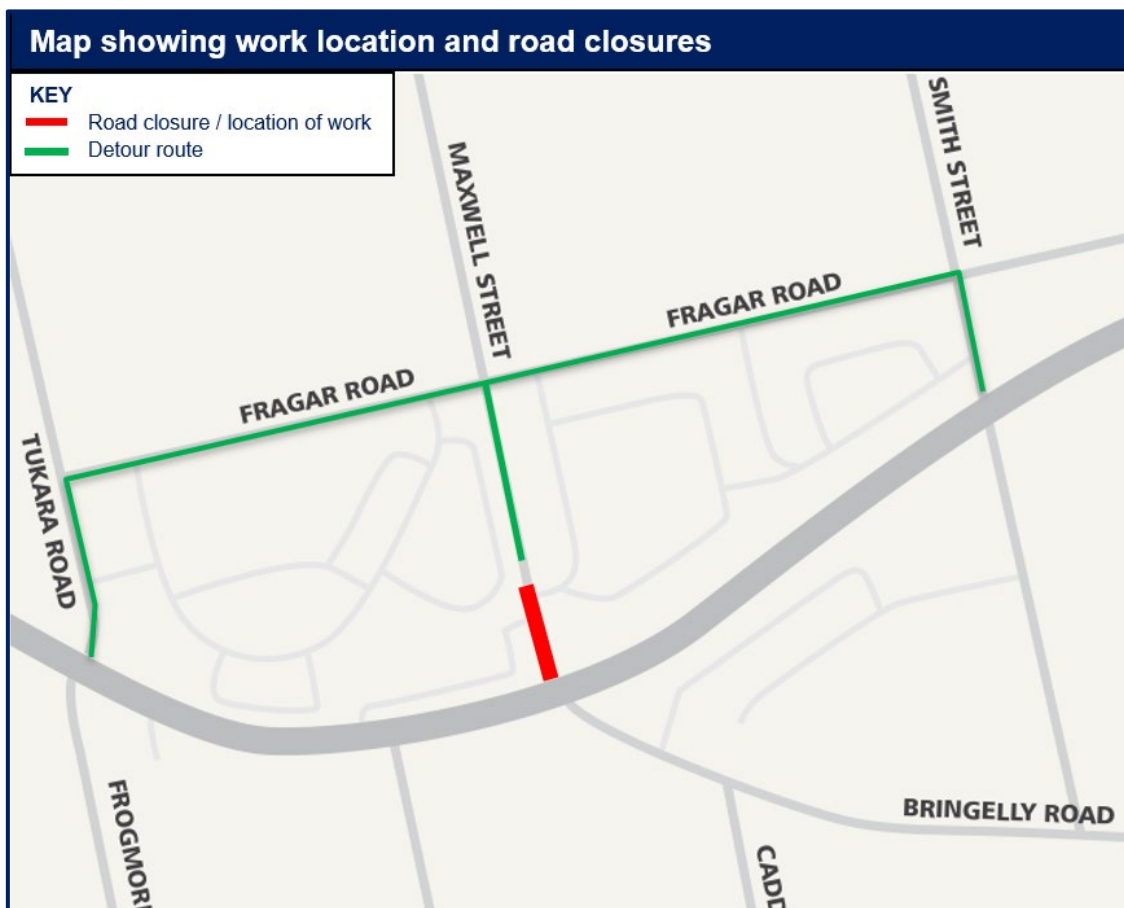

October 2019

Rescheduled night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to carry out important work on the road surface and the existing roundabout and install utilities across Maxwell Street.

We wrote to you previously to advise you this work was scheduled for **Monday 23 and Tuesday 24 September**. However, due to changes to the work schedule, we will now carry out this work on **Friday 18 and Saturday 19 October**, weather permitting. We apologise for any confusion or inconvenience caused.

Location, date and time of work

To minimise impact on road users, we will carry out this work at night. Access to Maxwell Street via the Northern Road will not be available during this work.

Work is scheduled to take place at night:

- **from 10pm to 8am on Friday**
- **from 10pm to 8am on Saturday**

How will the work affect you?

You may experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access Maxwell Street from the Northern Road. The Northern Road will not be closed during this work.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
