

# Night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to carry out paving works and install utilities along the Northern Road at Bringelly Road and Jamison Road.

## Location, date and time of work

To minimise impact on road users, we will carry out utility work at night on Jamison Road on **Friday 25 October and Saturday 26 October 2019**, weather permitting. Access to Jamison Road from the Northern Road will be closed during this time.

Work is scheduled to take place at night:

- **from 10pm to 8am on Friday**
- **from 10pm to 9am on Saturday**

## How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place to access Jamison Road via Smith Street and Fragar Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
