

## Night work and traffic changes on The Northern Road upgrade, South Penrith from Friday 22 June 2018

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith.

As part of this work, utilities will be installed along The Northern Road between Frogmore Road and Jamison Road and on Maxwell Street, South Penrith.

To minimise the impact on road users, work will take place at night between **8pm** and **9am, weather permitting** on:

- **Maxwell Street, Aspen Street and Frogmore Road** on Friday 22 June, Saturday 23 June and Sunday 24 June 2018 (Map 1)

The attached maps show the location of the traffic changes, work areas and detour routes.

### How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise the impact on residents by:

- changing our construction methods to reduce the night work impact - scheduling noisier activities in the earliest part of the shift, where possible
- alternating between work locations to minimise continuous impact on the same community
- using equipment fitted with noise mitigation devices and monitoring noise at night.

### Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. From **22 to 24 June 2018**:

Aspen Street (The Northern Road end) will be closed on **Wednesday 27 June and Thursday 28 June**. Access for local traffic will be via Maxwell Street. (Map 1)

Between **29 June and 1 July 2018**, access to Jamison Road will be restricted to local traffic only. Detours will be in place via Maxwell Street/Bringelly Road and Derby Street. (Map 2)
