**BUILDING OUR FUTURE**

February 2018

## **Night work and traffic changes on The Northern Road, Harrington Park from Friday 16 February 2018**

**The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and Penrith.**

Roads and Maritime Services is upgrading The Northern Road between The Old Northern Road, Narellan, and Peter Brock Drive, Oran Park to increase capacity for future growth and improve safety and travel times.

In mid-February the new traffic lights on The Northern Road are scheduled to be switched on. Once the traffic lights are operating, the existing roundabouts will be removed and traffic will be split, one lane on the northbound carriageway and one lane on the southbound carriageway. Left and right turn lanes will be operational under the traffic signals at each intersection.

To minimise impact on motorists, preparation work for this traffic switch will take place at night between **6pm** and **7am** from **Friday 16 February** to **Friday 23 February**, weather permitting.

The traffic lights will be turned on at the intersections of The Northern Road, Fairwater Drive and Hillside Drive at **7am** on **Saturday 17 February** and Cobbitty Road at **7am** on **Saturday 23 February**, weather permitting.

The attached maps show the location of the night work and traffic switch.

### **How will the work affect you?**

Our work may be noisy but every effort will be made to minimise impacts on residents.

### **Traffic changes**

Dan Cleary Drive will remain permanently left-in and left-out only. Right-hand movements to and from The Northern Road can be made at Peter Brock Drive.

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Electronic message signs will be in place to direct road users around the changes.

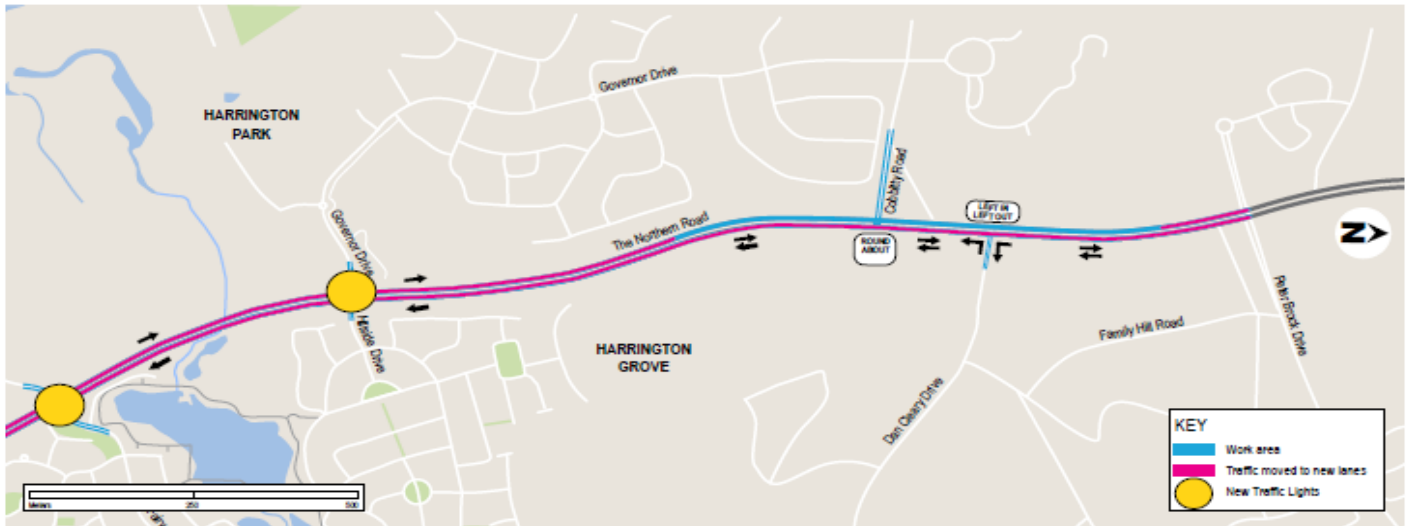

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates please call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

If you have any questions, please contact our delivery partner, Georgiou Group on **1300 059 677** or [TNRStage1@georgiou.com.au](mailto:TNRStage1@georgiou.com.au). For more information on our projects, visit [www.rms.nsw.gov.au/thenorthernroad](http://www.rms.nsw.gov.au/thenorthernroad). Thank you for your patience during this important work.

## Location of Work - 23rd February

## Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing the Western Sydney Airport at Badgerys Creek. It will also improve safety, increase road capacity and reduce congestion and travel times in the future. For more information on Western Sydney Infrastructure Plan, visit [rms.nsw.gov.au/wsip](https://rms.nsw.gov.au/wsip) or call 1800 703 457.
