BUILDING OUR FUTURE

June 2017

Night work to prepare for a traffic switch on The Northern Road, Harrington Park from Thursday, 22 June 2017

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and Penrith.

Roads and Maritime Services is upgrading The Northern Road between The Old Northern Road, Narellan, and Peter Brock Drive, Oran Park to increase capacity for future growth and improve safety and travel times.

As part of this work, traffic will be moved onto a section of newly built southbound lanes between Hillside Drive and Peter Brock Drive, Harrington Park.

To minimise impact on motorists, preparation work for this traffic switch will take place at night between **6pm** and **7am** from **Thursday, 22 June** to **Sunday, 25 June 2017**, weather permitting. From **7am Sunday, 25 June 2017** traffic will travel on the new lanes, weather permitting.

The attached map shows the location of the night work and traffic switch.

How will the work affect you?

Our work may be noisy but every effort will be made to minimise impacts on residents.

Traffic changes

In preparation for the traffic switch, Cobbitty Road will be temporarily closed between **8pm on Saturday 24 June** and **7am on Sunday, 25 June 2017** from The Northern Road to Governor Drive, Harrington Park. A detour will be in place on Governor Drive.

Dan Cleary Drive will remain permanently restricted to left-in / left-out only. Right turn movements to and from The Northern Road can be made at Peter Brock Drive.

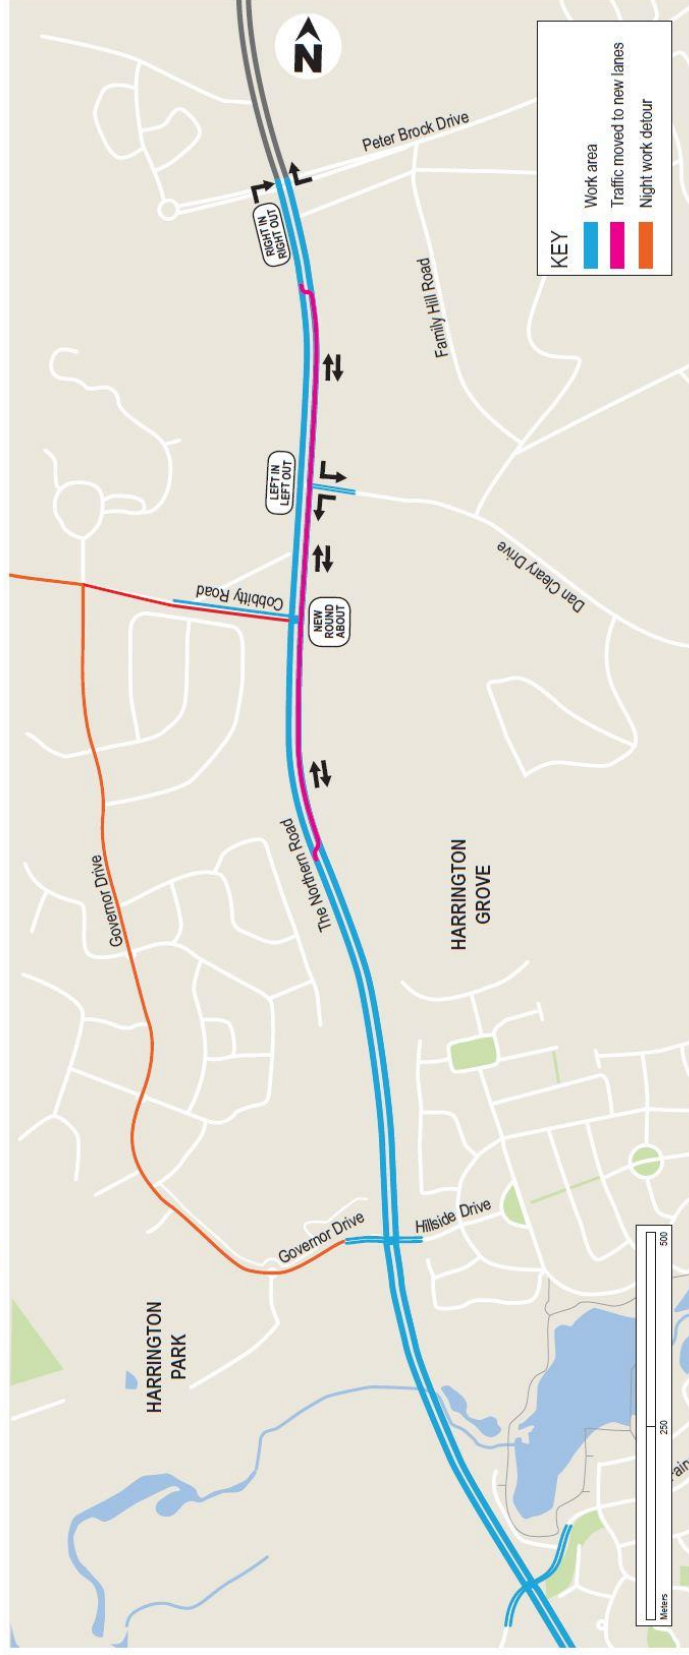

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Electronic message signs will be in place to direct road users around the changes.

Please keep to the displayed speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates please call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
