**BUILDING OUR FUTURE**

July 2017

## **Operating hours for the site office on Wentworth Road, Glenmore Park from Friday, 28 July 2017**

**The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.**

Roads and Maritime Services has started work on The Northern Road upgrade between Glenmore Parkway, Glenmore Park and Jamison Road, South Penrith.

As part of this work, a site office for the project has been established at the corner of Wentworth Road and The Northern Road, Orchard Hills.

The site office will operate 24 hours a day, seven days a week from **Friday, 28 July 2017** until the **project's completion in 2020**. The site will be used for general purposes including as an office, for parking and to store materials.

Night operation of the main site office is needed to manage the administration and safety of our night work construction activities.

### **How will the work affect you?**

Our work may be noisy but every effort will be made to minimise impacts on residents.

### **Traffic changes**

There will be some temporary traffic changes to ensure the entry and exit driveways of the site office are safe. This may include some lane closures on Wentworth Road, and travel times may be affected.

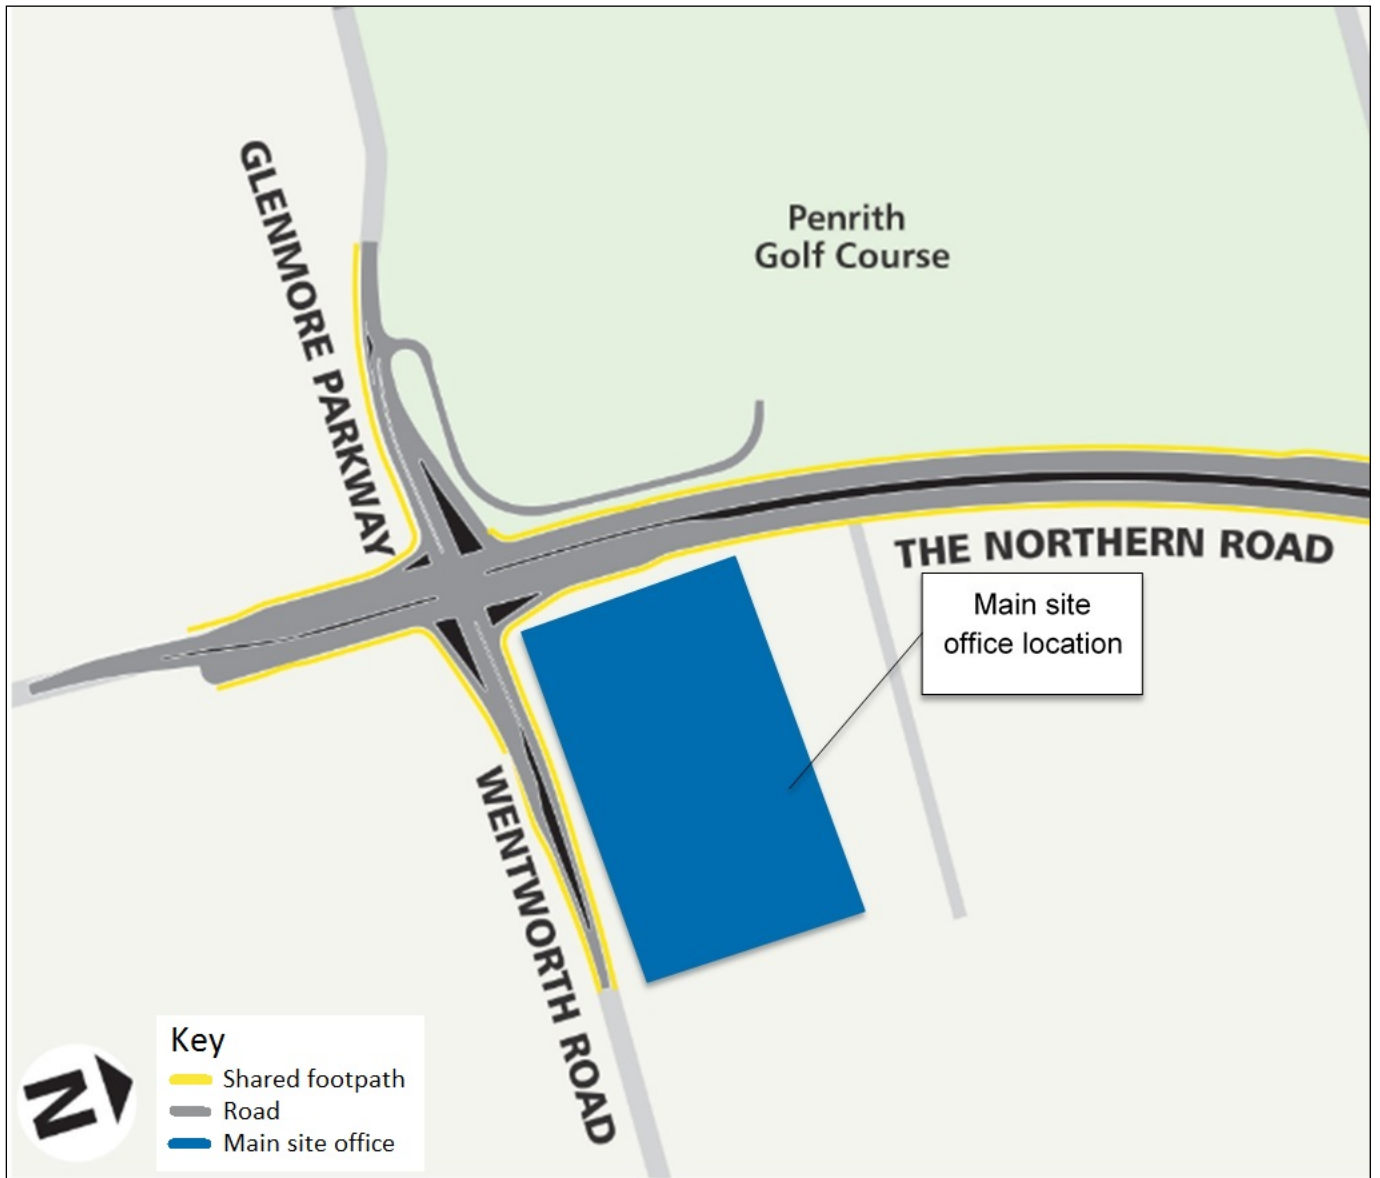

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
