BUILDING OUR FUTURE

August 2017

Night work to install cyclist detour signage for The Northern Road upgrade, Glenmore Parkway to Jamison Road from Thursday, 31 August 2017

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion The Northern Road Upgrade between Narellan and South Penrith.

Roads and Maritime Services is continuing work on The Northern Road and the M4 Motorway interchange at Orchard Hills / South Penrith.

For safety reasons, there will be no cyclist access on The Northern Road between Glenmore Parkway and Jamison Road and along the M4 Motorway between Kent Road and Mulgoa Road from **Monday, 4 September 2017** until **project completion** in **2020**.

In order to implement this closure, temporary signage will be installed for the suggested cyclist detours.

For safety reasons, and to minimise impact on motorists, sign installation will be carried out at night between **7pm** and **7am** from **Thursday, 31 August** to **Sunday, 10 September 2017 including weekends**, weather permitting. This work will be carried out for up to two night shifts per location along the detour routes.

The attached map shows the location of the night work and the suggested detours.
