## Night work and traffic changes on The Northern Road upgrade, South Penrith from Tuesday 12 February 2019

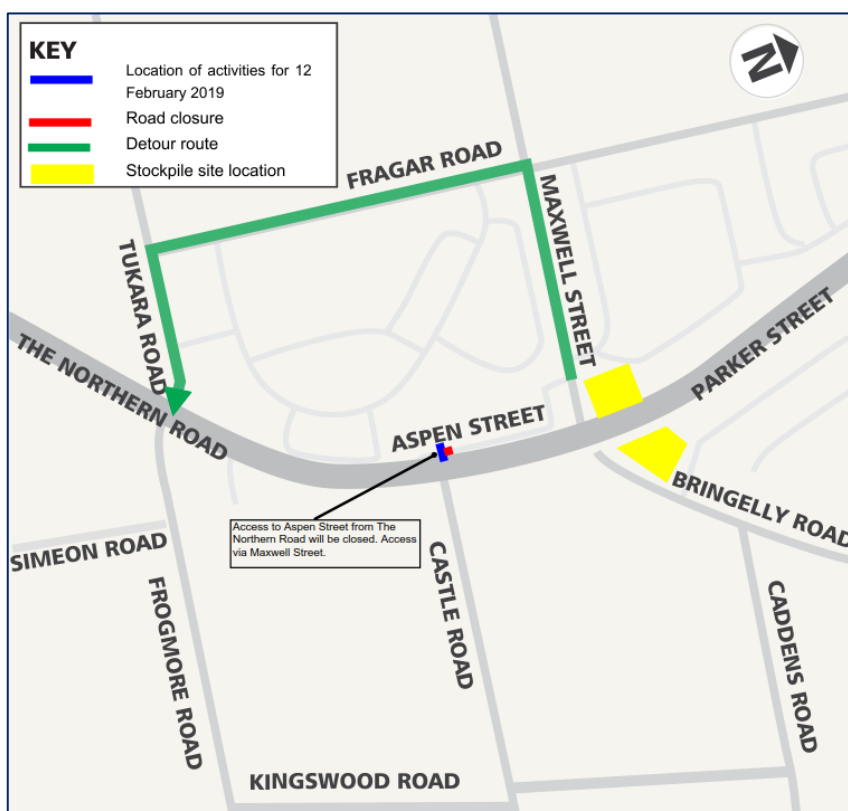

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith.

As part of this work, utilities will be installed along The Northern Road at Aspen Street and Frogmore Road, South Penrith.

Utility installation at Aspen Street (Map 1) will take place on **Tuesday 12 February from 10pm to 5am.**

## How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise impacts on residents by:

- adapting our construction methods to reduce night work impacts as much as possible
- changing work locations to minimise continuous impact on the same groups of residents
- using equipment fitted with noise mitigation devices and monitoring noise at night.

## Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures.

**On 12 February 2019**, Aspen street will be closed. Detours will be in place via Maxwell Street, Tukara Road and Fragar Road. Access for local traffic will be via The Northern Road.

**From 25 to 26 February 2019**, Frogmore Road via The Northern Road will be closed. Detours will be in place via Bringelly Road and Kingswood Road.

Electronic message signs will also be in place to direct road users through these changes. Please keep to speed limits and follow the direction of traffic controllers and signs.
