How will the work affect you?

Work includes earthworks, constructing drainage and road pavement, asphaltting, relocating street lights, installing and adjusting temporary barriers and signage and line marking.

Our work may be noisy at times and will involve cranes, saw cutting, loading and unloading trucks and hand tools. Every effort will be made to minimise impact on residents by:

- adapting our construction methods to reduce night work impacts as much as possible
- using equipment fitted with noise mitigation devices
- monitoring noise at night.

Traffic changes

Detours will be in place during the ramp closures which may affect travel times, please see map over the page for more information. Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
