**BUILDING OUR FUTURE**

July 2018

## Night work and ramp closures on the M4 Motorway at The Northern Road, South Penrith from Friday 3 August 2018

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work to build a new bridge over the M4 Motorway at The Northern Road, South Penrith.

Work includes earthworks, constructing drainage and road pavement, asphaltting, relocating street lights, installing and adjusting temporary barriers and signage and line marking.

As part of this work, ramps at the M4 Motorway interchange will be closed overnight at The Northern Road **between 9pm and 5am** on the following dates, weather permitting:

- Eastbound on ramp **on Friday 3 August (reopening Saturday 4 August) and Saturday 4 August (reopening Sunday 5 August) 2018**
- Westbound off ramp **on Wednesday 8 August (reopening Thursday 9 August) and Thursday 9 August (reopening Friday 10 August) 2018**
- Westbound off ramp **on Friday 24 August (reopening Saturday 25 August) and Saturday 25 August (reopening Sunday 26 August) 2018**
- Westbound off ramp **on Friday 31 August (reopening Saturday 1 September), Saturday 1 September (reopening Sunday 2 September) and Sunday 2 September (reopening Monday 3 September) 2018.**

We are carrying out this work at night to minimise traffic impact and improve safety for workers and motorists.

Roads and Maritime is continuing to work at selected nights to build the new interchange over the M4 Motorway at The Northern Road. As part of this work we are lifting 40 super-T girders or bridge deck support beams onto the structure for the new bridge. This work will be carried out on alternate nights to the eastbound on ramp and westbound off ramp night work and closures to ensure that there is no conflict in work and additional disruption to motorists. Please visit [rms.nsw.gov.au/thenorthernroad](http://rms.nsw.gov.au/thenorthernroad) for more information.

## How will the work affect you?

Our work may be noisy at times and will involve cranes, saw cutting, loading and unloading trucks and hand tools. Every effort will be made to minimise impact on residents by:

- adapting our construction methods to reduce night work impacts as much as possible
- alternating between work locations to minimise continuous impact on residents
- using equipment fitted with noise mitigation devices
- monitoring noise at night.

## Traffic changes

Detours will be in place during the ramp closures, this may affect travel times. We have included a map to show the location of work and detour routes.

Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

As the completion of this work, we plan to open the new westbound off-ramp to traffic on **Monday 3 September 2018**. This will be the first part of the upgrade to open to traffic, improving capacity at The Northern Road interchange and traffic flow on the M4 Motorway.

## Contact

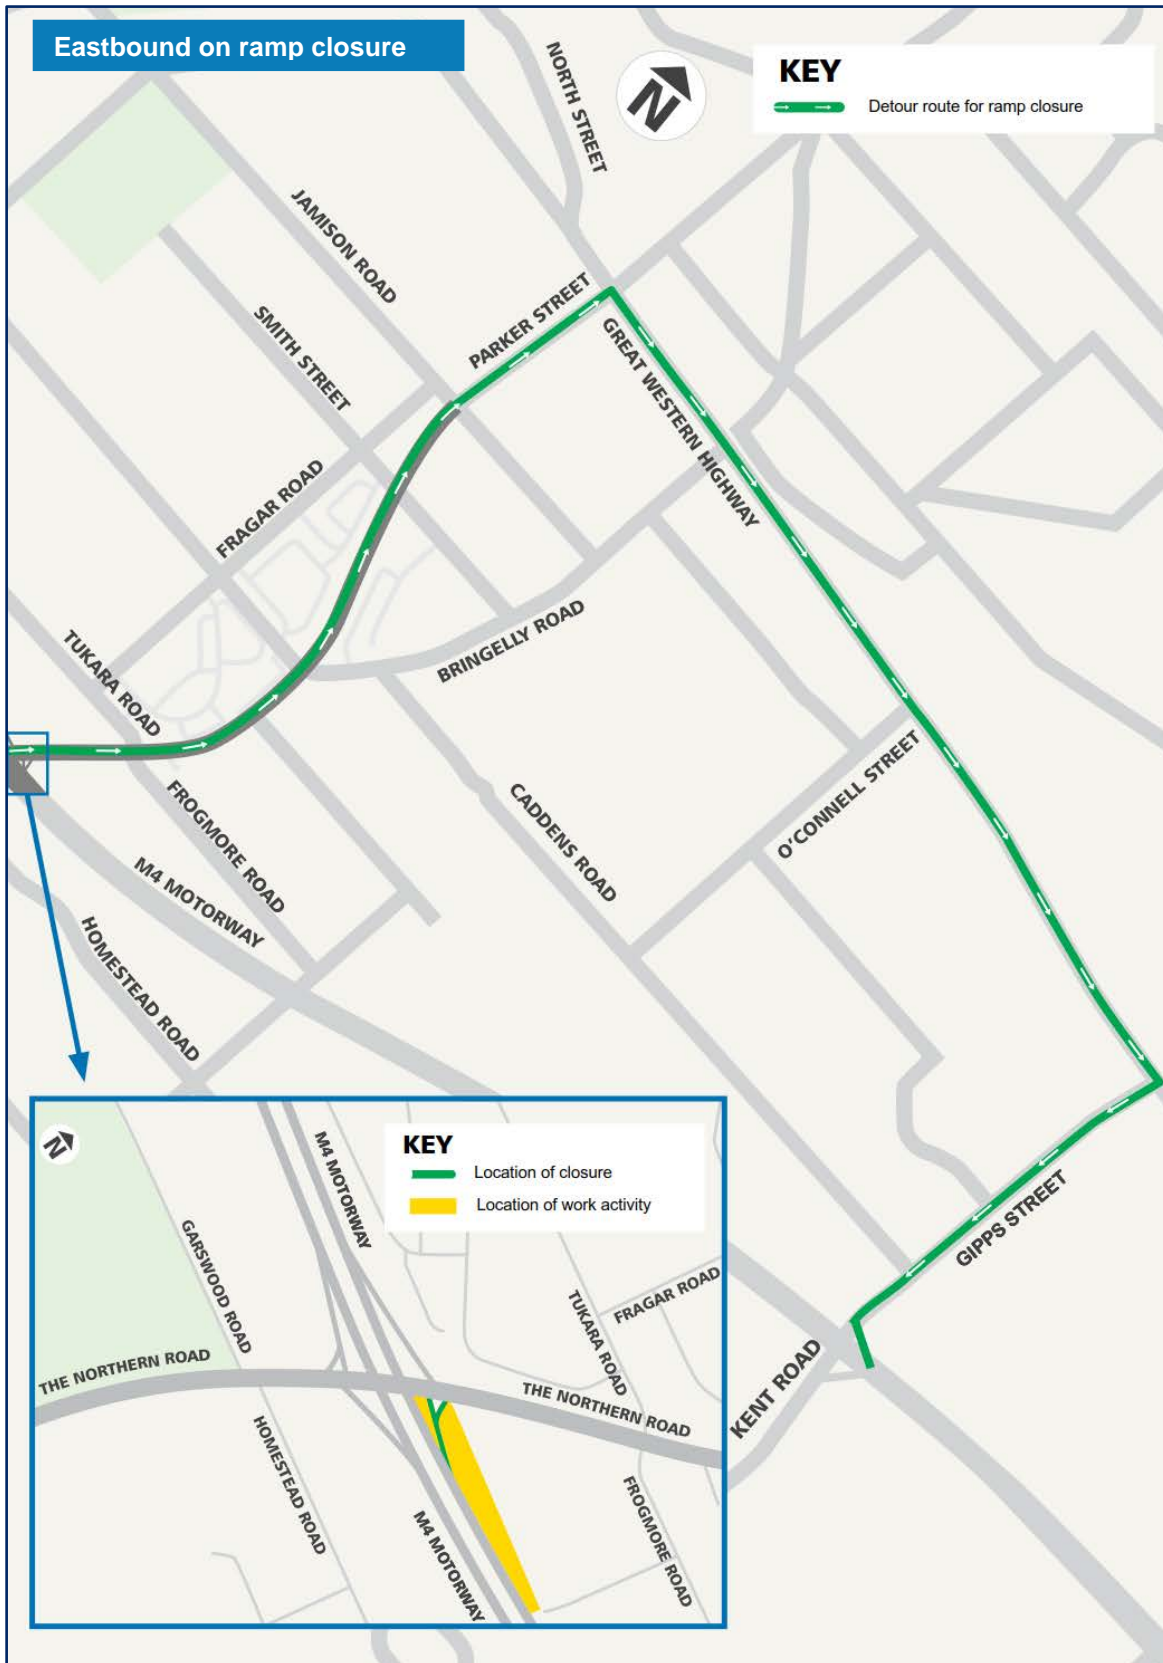

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or [TNR.community@lendlease.com](mailto:TNR.community@lendlease.com). For more information on our projects, visit [rms.nsw.gov.au/thenorthernroad](http://rms.nsw.gov.au/thenorthernroad).

Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 870 665
