

Night work and traffic changes on The Northern Road, South Penrith from 10 August 2018

The Australian and NSW governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith.

As part of this work, utilities will be installed along The Northern Road between Frogmore Road and Jamison Road and on Maxwell Street, South Penrith.

To minimise the impact on road users, work will take place at night between **8pm** and **9am**, **weather permitting** on:

- **The Northern Road (Parker Street section) between Maxwell Street and Jamison Road** on Friday 10 August, Saturday 11 August and Sunday 12 August 2018 (Map 1)

- **Maxwell Street and Aspen Street** on Friday 24 August, Saturday 25 August and Sunday 26 August 2018 (Map 2)

The attached maps show the location of the traffic changes, work areas and detour routes.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise the impact on residents by:

- changing our construction methods to reduce the night work impact - scheduling noisier activities in the earliest part of the shift, where possible
- alternating between work locations to minimise continuous impact on the same community
- using equipment fitted with noise mitigation devices and monitoring noise at night.

Traffic changes

Temporary traffic changes will be in place during the work to ensure the area is safe for workers and motorists. After each night shift, traffic conditions will return to normal.

From **10 to 12 August 2018** The Northern Road (Parker Street section) will be closed between Maxwell Street and Jamison Road. Resident access to Parker Street will be maintained via traffic control located at Maxwell Street. Detours will be in place through Fragar Road and Maxwell Street/Bringelly Road. (Map 1)

From **14 August 2018**, Frogmore Road via The Northern Road will be closed. Detours will be in place via Bringelly Road and Kingswood Road. (Map 2)

From **15 to 16 August 2018**, Castle Road via The Northern Road will be closed. Detours will be in place via Bringelly Road and Kingswood Road (Map 2).

From **17 to 19 August 2018**, Bringelly Road via The Northern Road will be closed. Detours will be in place via Jamison Road and Frogmore Road (Map 3).

From **24 to 26 August 2018**

Maxwell Street between The Northern Road and just west of Hilliger Road will be closed. Detours will be in place via Tukara Road and Fragar Road. Aspen Street (Maxwell Street end) will be closed. Access for local traffic will be via The Northern Road (Map 2).

From **Friday, 10 August 2018 until late-2019**, right-turn movements from The Northern Road northbound onto Jamison Road eastbound will be temporarily unavailable due to upgrade work along this section of The Northern Road. Access to Jamison Road will be via Derby Street. Once construction is complete, motorists will be able to make right-turn movements from The Northern Road northbound on to Jamison Road eastbound (Map 1).

Electronic message signs and traffic control will direct road users through these changes.
