Night work and ramp closures on the M4 Motorway at The Northern Road, South Penrith from Thursday 4 October 2018

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work to build a new bridge over the M4 Motorway at The Northern Road, South Penrith.

Work includes earthworks, constructing drainage and road pavement, asphaltting, relocating street lights, installing and adjusting temporary barriers and signage and line marking.

As part of this work, the westbound off ramp at the M4 Motorway interchange will be closed overnight at The Northern Road on:

- **Thursday 4 October (lane closures only) from 10pm to 5am**
- **Friday 5 October (reopening Saturday 6 October) from 10pm to 5am**
- **Saturday 6 October (reopening Sunday 7 October) 10pm to 7am**
- **Sunday 7 October (reopening Monday 8 October) 2018 from 10pm to 5am, weather permitting.**

We are carrying out this work at night to minimise traffic impact and improve safety for workers and motorists.

How will the work affect you?

Our work may be noisy at times and will involve cranes, saw cutting, loading and unloading trucks and hand tools. Every effort will be made to minimise impact on residents by:

- adapting our construction methods to reduce night work impacts as much as possible
- using equipment fitted with noise mitigation devices
- monitoring noise at night.

Traffic changes

Detours will be in place during the ramp closures, this may affect travel times. We have included a map to show the location of work and detour routes.

Please keep to speed limits and follow the direction of detour signs and traffic controllers. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

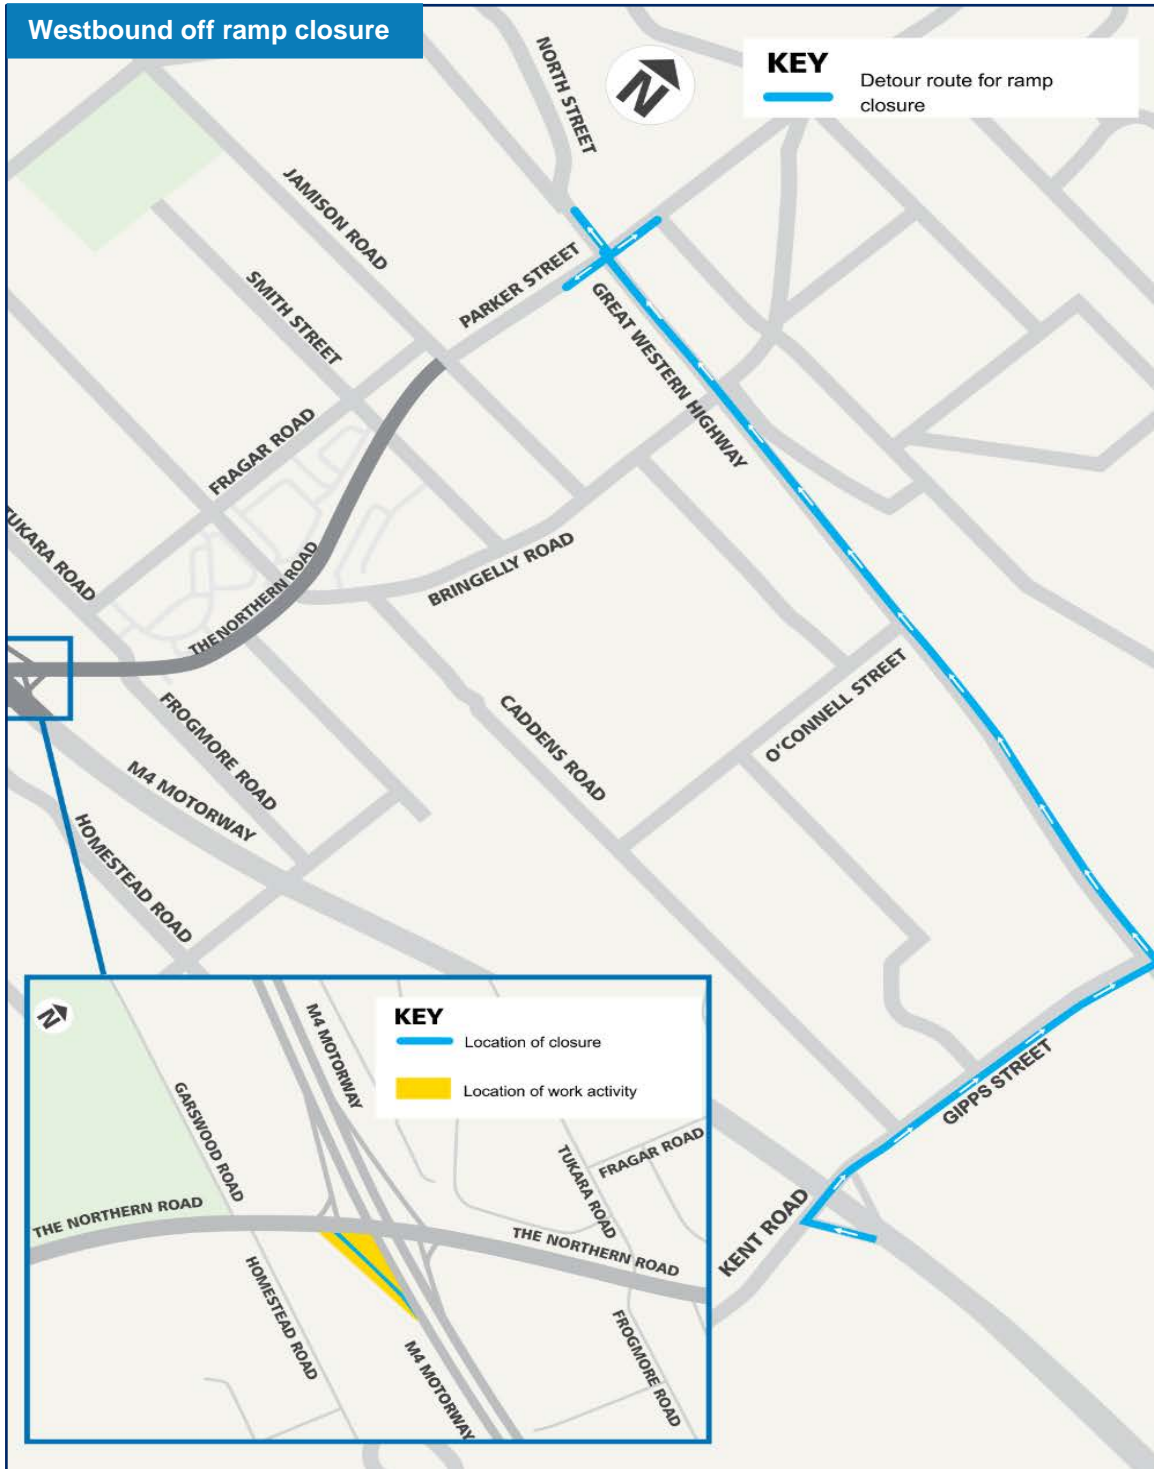

At the completion of this work, the new westbound off ramp will be open to traffic in October 2018. This will be the first part of the upgrade to open to traffic, improving capacity at The Northern Road interchange and traffic flow on the M4 Motorway.
