

Transport for NSW invites you to have your say! Tumut intersection upgrade

As a part of the Road Safety Program, this busy junction will be upgraded to a roundabout to improve the safety of all road users. Transport for NSW welcomes the community's feedback on the Review of Environmental Factors (REF) until Sunday 17 October.

Key features:

New 48m diameter roundabout

Provisions for future pedestrian mobility

Improved intersection visibility

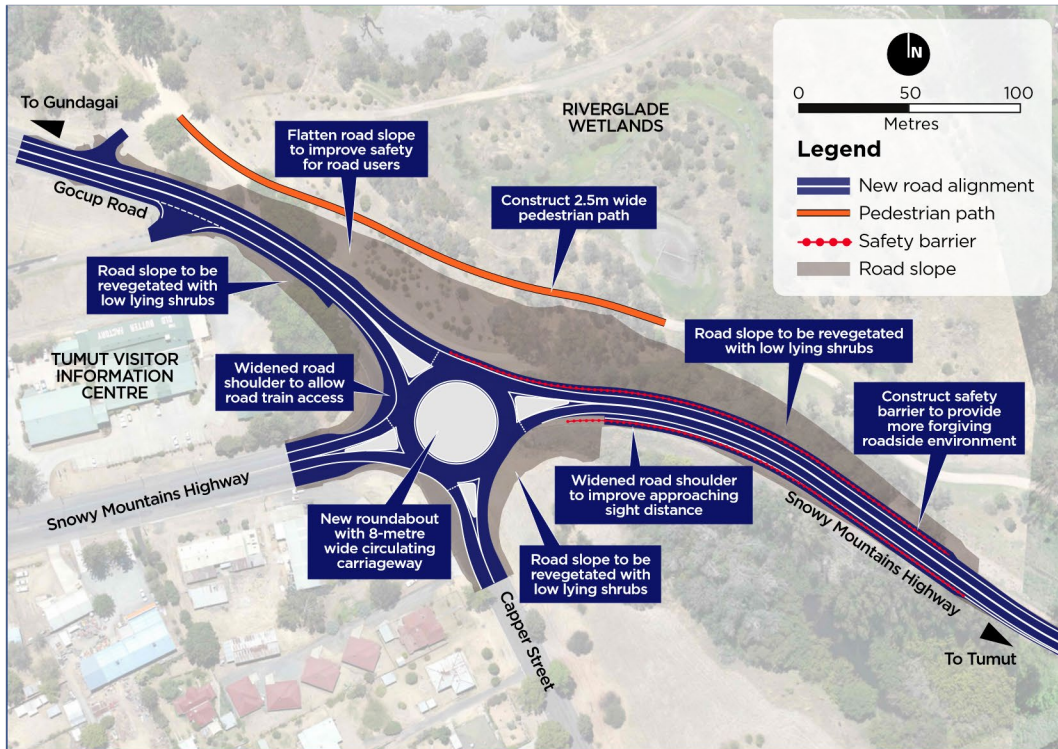

Sealing and lighting of wetlands shared path next to roundabout

Native revegetation of project area

Overhead powerlines removed and placed underground

We want to hear from you!

Stay informed and have your say. Scan here.
