

November 2017

Project update – New and extended clearways on Warringah Road from Roseville Bridge, Roseville Chase to Beacon Hill Road, Beacon Hill

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

Earlier this year, Roads and Maritime Services asked for feedback from the community on a proposal to extend the existing and introduce new clearways on Warringah Road from Roseville Bridge, Roseville Chase to Beacon Hill Road, Beacon Hill.

The proposed clearway hours in both directions on Warringah Road are:

- weekdays from 6:00am to 7:00pm
- weekends and public holidays from 9:00am to 6:00pm.

Any existing parking restrictions will continue to operate outside proposed clearway hours. Changes to clearway restrictions around the Northern Beaches Hospital road upgrade will take place once the roadwork is complete.

Consultation outcome

We distributed over 10,000 letters to residents, businesses, and other key stakeholders and held an information session for community members to talk to the project team about the proposed changes to the clearways.

We also asked for feedback on the proposal. We received feedback from almost 200 community members and stakeholders who raised matters in relation to the need for new and extended clearways, changes to parking and accessing properties.

We have collated the community feedback and provided responses to the key matters raised in a community consultation report. This is available on the project website at rms.nsw.gov.au/clearways. We encourage you to read the report to understand the key matters raised by the community and our response during this stage of the consultation process.

After considering all the feedback, along with the objectives of the Sydney Clearways Strategy, Roads and Maritime is progressing the new and extended clearways proposal by displaying the Review of Environmental Factors (REF) from **Monday 27 November** (see overleaf for more details). The REF provides more detail on the matters raised during the consultation.

What happens next?

The final assessment for the project (the REF) will be on display between **Monday 27 November** and **Friday 15 December** at the following locations, during opening hours:

- Northern Beaches Council Civic Centre at 725 Pittwater Road, Dee Why
- Dee Why Library (next to Northern Beaches Council) at 725 Pittwater Road, Dee Why
- Forestville Library at 6 Darley Street, Forestville
- Glen Street Library at the corner of Glen Street and Blackbutts Road, Belrose.

The REF will also be available on the project website at rms.nsw.gov.au/clearways.

We welcome any new comments by **Friday 15 December** to clearways@rms.nsw.gov.au or

Clearways Project Team
PO Box 973
Parramatta NSW 2124

The comments received during the display will be considered by Roads and Maritime, and the community will be notified as the project progresses.
