

## **Werrington Arterial Road - extended weekend work from Saturday 19 November**

**The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services is changing the current weekend work hours in order to progress the Werrington Arterial Road upgrade. Work will now include extended hours on Saturdays and work on Sundays when traffic volumes are lower.

The extended working hours on **Saturdays** will be from **7am to 6pm**. Working hours on **Sundays** will be from **8am – 6pm**. The extended hours will commence on **Saturday 19 November** and end **Sunday 18 December**, weather permitting.

### **How will the work affect you?**

There will be some noise associated with the work, but every effort will be made to minimise the impact on residents.

### **Traffic changes**

- There may be temporary lane closures required to safely carry out the work.
- Electronic message signs will be in place to notify road users of the changes in traffic conditions.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Western Sydney Infrastructure Plan**

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek.
