BUILDING OUR FUTURE

July 2016

M4 Motorway lane closures near Kent Road bridge, Claremont Meadows from Monday 18 July

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is carrying out work to build a new eastbound M4 Motorway entry ramp from Kent Road. As part of this work, utilities under the M4 Motorway will be relocated. Work is also taking place to install safety screens on the new shared pedestrian bridge.

The utility relocation and safety screen work will require temporary closures of the M4 Motorway. This work is being carried out at night to minimise impacts on road users.

Work will take place between **Monday 18** and **Friday 22 July 2016**, weather permitting. Our night work hours will be from **9pm** to **4:30am**. One eastbound and one westbound lane on the M4 Motorway will be closed during the work.

The attached map helps to explain the location of the work.

How will the work affect you?

There will be some noise and lights associated with this work however we will make every effort to minimise noise by arranging the work in stages.

Traffic changes

Mobile electronic message signs along the M4 Motorway will advise drivers of lane closures. Traffic control will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a planned western Sydney airport at Badgerys Creek.
