

Australian Government

BUILDING OUR FUTURE

June 2016

Traffic changes at Sunflower Drive and Gipps Street intersections, Claremont Meadows from Monday 20 June

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project and work is continuing to upgrade the intersections along Gipps Street. The Sunflower Drive (north) intersection will re-open to traffic before the Sunflower Drive (south) intersection is closed to build the western half of this intersection. Work will include installing power poles, traffic posts and lights, street lighting and a new drainage system, and building the new intersection.

The Sunflower Drive (north) and Gipps Street intersection will re-open from **Monday 20 June 2016**, weather permitting.

The Sunflower Drive (south) and Gipps Street intersection will be closed from **Wednesday 22 June 2016**, for about three months, weather permitting. A detour will be in place via Sunflower Drive (north) and Myrtle Road.

Construction of the noise wall will also continue on the western side of Gipps Street between the Great Western Highway and Caddens Road.

Work will continue to be carried out during standard construction hours **7am to 6pm, Monday to Friday**, and from **8am to 1pm on Saturdays**. No work will take place on public holidays.

The attached map helps to better explain the intersection closure and associated detour.

How will the work affect you?

There will be some noise associated with this work, but every effort will be made to minimize the impact on residents.

Traffic changes

Sunflower Drive (north) intersection will re-open to traffic before Sunflower Drive (south) intersection is closed. Access to all properties will be maintained throughout the work. There may be some short delays to traffic as traffic controllers help trucks to safely enter and exit our construction sites.

Mobile electronic message signs will be in place to direct road users around the intersection closure. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on **1800 631 531** or email werringtonarterialroad@burtoncontractors.com.au or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.
