

Australian Government

BUILDING OUR FUTURE

February 2017

Daytime closure of Sunflower Drive (north and south) intersections at Gipps Street, Claremont Meadows from Monday 27 February

The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will be temporarily closing the Sunflower Drive (north and south) intersections at Gipps Street to lay new asphalt and to allow safe movement of heavy plant equipment.

The Sunflower Drive (north and south) and Gipps Street intersections will be closed for one day each from **7am to 6pm** during the week of **Monday 27 February to Friday 3 March 2017**, weather permitting.

Both intersections will be open to the public by 6pm on each closure day to ensure access is maintained.

The attached map helps to better explain the intersection closure and detours.

How will the work affect you?

There will be some noise associated with the work, but every effort will be made to minimise the impact on residents.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Electronic message signs will provide 24 hours' notice of the closure and will also be in place to direct road users around the intersection and detour.

Access to all properties will be maintained throughout the work. There may be some short delays to traffic as controllers help trucks to safely enter and exit our construction sites.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our project team on 1800 631 531 or email werringtonarterialroad@burtoncontractors.com.au or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.
