

Australian Government

**BUILDING OUR FUTURE**

April 2017

## **Night work and detour at the intersection of the Great Western Highway and Gipps Street, Claremont Meadows, from Sunday 30 April**

**The Australian and NSW governments are funding this work as part of the \$55 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services will be asphaltting and painting line markings at the intersection of the Great Western Highway and Gipps Street, Claremont Meadows.

In order to minimise the impact on motorists, the work will take place in four shifts between **9.30pm and 5am** from **Sunday 30 April and Thursday 4 May 2017**, weather permitting. During each shift, the Great Western Highway and Gipps Street intersection will be closed and a detour route established to direct road users around the work.

The attached maps show the location of the work and the detour.

### **How will the work affect you?**

Our work may be noisy at times but every effort will be made to minimise its impact on residents.

### **Traffic changes**

There will be some temporary traffic changes to ensure the work area is safe, including closure of the intersection and putting the detour in place. There may be some short delays as traffic controllers help motorists to safely move in the area. At the end of each shift, the intersection will be re-opened and the detour removed.

Electronic message signs will be in place to notify road users of the changes in traffic conditions.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

If you have any questions, please contact our delivery partner, Burton Contractors, on **1800 631 531**, [werringtonarterialroad@burtoncontractors.com.au](mailto:werringtonarterialroad@burtoncontractors.com.au) or visit [rms.nsw.gov.au/werringtonarterialroad](http://rms.nsw.gov.au/werringtonarterialroad).

Thank you for your patience during this important work.
