

Australian Government

**BUILDING OUR FUTURE**

August 2016

## **Night work on the Great Western Highway, Claremont Meadows from Thursday 25 August**

**The Australian and NSW governments are funding this work as part of the \$70 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services is continuing to deliver this important project. Work is underway to upgrade the intersection at the Great Western Highway and Gipps Street, Claremont Meadows. Part of this upgrade requires the connection of new watermain.

Night work to connect the water main will be carried out on **Thursday 25** and **Friday 26 August 2016** between **7pm** and **5am**, weather permitting.

The work will require the closure of one eastbound and one westbound lane on the Great Western Highway on either side of the Gipps Street intersection.

The attached map helps to better explain where the work will occur and associated lane closures.

### **How will the work affect you?**

There will be some noise associated with the work, but every effort will be made to minimise the impact on residents.

Sydney Water will notify any properties that may have their water supply interrupted as a result of this work as part of their customer notification process.

### **Traffic changes**

In order to ensure the safety of our workers and road users, there will be temporary lane closures on both nights. There will be one lane open at all times in the westbound direction and two lanes open at all times in the eastbound direction. Traffic movements into and out of Gipps Street will be maintained.

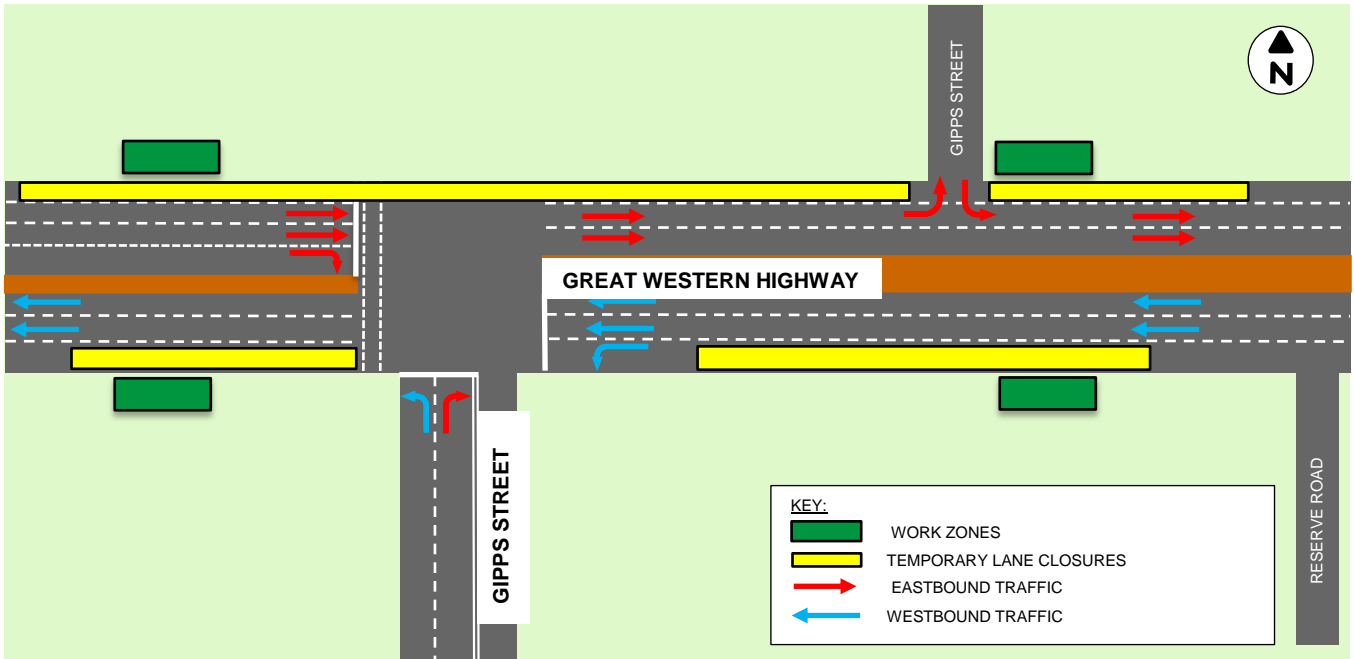

Electronic message signs will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### **Contact**

If you have any questions, please call our project team on **1800 631 531** or email [werringtonarterialroad@burtoncontractors.com.au](mailto:werringtonarterialroad@burtoncontractors.com.au) or visit [rms.nsw.gov.au/werringtonarterialroad](http://rms.nsw.gov.au/werringtonarterialroad). Thank you for your patience during this important work.

## Location Map

## Western Sydney Infrastructure Plan

The Australian and NSW governments are providing \$70 million to build the Werrington Arterial Road as part of the Western Sydney Infrastructure Plan, a \$3.6 billion, 10 year road investment program for western Sydney. The Plan will deliver major road infrastructure upgrades to support an integrated transport solution for the region and capitalise on the economic benefits from developing a planned western Sydney airport at Badgerys Creek. For more information on our projects, visit [rms.nsw.gov.au/wsip](http://rms.nsw.gov.au/wsip) or call 1800 703 457.

\*Total length amended due to confirmation of The Northern Road scope of work

### Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1800 703 457.

#### Arabic
