BUILDING OUR FUTURE

May 2017

Night work on the new M4 Motorway ramps, Claremont Meadows on Saturday 27 May, 2017

The Australian and NSW governments are funding this work as part of the \$55 million upgrade of Gipps Street and Kent Road (the Werrington Arterial Road). This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services will be carrying out work on the new M4 Motorway ramps at Claremont Meadows.

In preparation for completion of the project, night work will be carried out between **7pm** and **5am** on **Saturday 27 May 2017**, weather permitting. This work includes removing the temporary safety barriers, painting new line markings and switching on the new traffic lights at the new M4 Motorway ramps.

All current traffic movements will be maintained. The attached map shows the location of the work.

Traffic changes

One westbound lane on the M4 Motorway will be closed and Kent Road will be reduced down to one lane during the night work. This will allow for safe removal of the temporary safety barriers on Kent Road and the M4 Motorway, as well as completing the new line marking and switching on the new traffic lights at the new M4 Motorway ramps.

Traffic controllers will be in place on Kent Road to assist traffic during the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, Burton Contractors, on **1800 631 531**, **werringtonArterialRoad@burtoncontractors.com.au** or visit rms.nsw.gov.au/werringtonarterialroad.

Thank you for your patience during this important work.
