

## **Survey and Geotechnical investigations for Manns Road upgrade from Monday 23 October 2017**

**The NSW Government provided \$2.3 million in 2017/18 to continue to plan for the future upgrade of Manns Road between Stockyard Place, West Gosford to Narara Creek Road, Narara.**

The full proposal includes widening the road to provide two lanes in each direction, provision of a central median and traffic lights at some locations. The existing bridge over the creek near the intersection of Manns Road and Nells Road is also proposed to be replaced. When the proposal is funded it is likely to be delivered in smaller stages, which are yet to be confirmed.

Roads and Maritime Services will carry out investigations in your area to continue to plan the proposed upgrade.

This work will include ground testing (geotechnical) investigations from 23 October and will be finished by mid-December, as well as detailed survey work and potholing which will begin in early November and be finished by the end of January 2018.

The investigations will be carried out during the day and night from **Monday 23 October** to end of **January 2018**, weather permitting. Work will be carried out between 7am to 5pm and 7pm to 5am at different locations along the two kilometre upgrade route.

Specialist field staff will carry identification at all times and take necessary safety precautions.

### **How will the work affect you?**

Minor delays for motorists are expected during night time work due to changed traffic conditions. Partial lane closures and a reduced speed limit may be in place while work is carried out to ensure the safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs.

There will be some noise associated with this work. We will make every effort to minimise noise during the investigations. We will continue to keep you informed as planning progresses.

### **Contact**

If you have any questions contact Roads and Maritime Project Manager Teresa Ting on 4394 6237 during business hours or [central.coast.office@rms.nsw.gov.au](mailto:central.coast.office@rms.nsw.gov.au).

For more information on this proposal, visit [rms.nsw.gov.au/mannsroad](http://rms.nsw.gov.au/mannsroad). Roads and Maritime apologises for any inconvenience this work may cause and appreciates the patience of the local community.
