

Western Harbour Tunnel and Warringah Freeway Upgrade

Environmental Impact Statement public exhibition period extended to 30 March 2020

Thank you to everyone who has made a submission so far on the Western Harbour Tunnel and Warringah Freeway Environmental Impact Statement (EIS). Following requests from local community members, the Department of Planning, Industry and Environment has extended the Environmental Impact Statement public exhibition end date to **Monday 30 March 2020**.

Extra information sessions added

We will be holding additional information sessions to support the extension of the public exhibition period.

Please drop in any time at one of our community information sessions to meet the team, find out more about the project and learn more about the EIS.
