

Western Harbour Tunnel and Warringah Freeway Upgrade

Environmental Impact Statement now on display

The Western Harbour Tunnel and Warringah Freeway Upgrade is an important part of our vision to create an integrated road and public transport network, balancing the needs of motorists and local communities.

Meet and talk with our team

Please drop in any time at one of our community information sessions to meet the team, find out more about the project and learn more about the Environmental Impact Statement (EIS).

Community markets

We will also be attending a number of local community markets during February and March, so please look out for us.

We thank you for the feedback you have provided so far, which has helped us make a number of positive improvements to the project. We welcome your submission on the EIS. **Submissions must be made directly to the Department of Planning, Industry and Environment (DPIE) by Thursday 12 March 2020.** We encourage you to make your submission using the online form on the DPIE website at: www.planningportal.nsw.gov.au/major-projects/projects/on-exhibition

Have your say
