

## Investigation work on Woodville Road and Church Street, Granville, from Monday 30 July 2018

The NSW Government is funding this work as part of its \$30 million Parramatta Congestion Improvement Program which aims to reduce congestion around the Parramatta local government area by upgrading key intersections that access the Parramatta Central Business District.

Roads and Maritime Services will carry out utility survey and geotechnical investigation work along Woodville Road and Church Street, at the intersections of:

- Crescent Street
- Parramatta Road
- M4 Western Motorway on and off ramps.

Proposed work includes locating under and above ground utilities, drilling, potholing, cutting and reinstating the road pavement.

We have included a map to show the location of the work.

### Our work schedule

We will be on site for up to **20 night shifts and 7 day shifts** between **Monday 30 July 2018 and Friday 5 October 2018**, weather permitting. Our day work hours will be between **7am and 6pm** from **Monday to Friday** and **8am to 1pm** on **Saturdays**. Our night work hours will be between **6pm to 7am** from **Sunday to Thursday**.

### How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **11pm**.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Lane closures may be in place and will affect travel times.

Please keep to speed limits and follow the directions of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
