

## Work continuing at Woodville Road and Parramatta Road, Granville and Holroyd

October 2022

The NSW Government is widening and upgrading the intersection of Woodville Road and Parramatta Road, in Granville and Holroyd, to ease congestion, reduce travel times and improve safety on this section of Parramatta Road.

Ongoing wet weather is continuing to delay progress of project works. We will continue to keep the community updated as we complete the final works and thank the community for their ongoing patience and understanding.

Work still to be completed on Woodville Road, Parramatta Road and the M4 Motorway westbound at Woodville Road includes:

- Traffic Control Signals inspection
- installation of speed camera loops at Woodville Road northbound
- signage adjustments
- removal of construction signage and site demobilisation.

### Our construction schedule

Between **Sunday 16 October** and **Friday 18 November 2022**, we will continue to work up to **five nights per week**, between **Sunday** and **Friday**.

Our night hours will be between **8pm** and **5am**.

Our day work hours will continue to be between **7am** and **6pm, Monday to Friday** and **8am** and **1pm** on **Saturday**.

We will not work on public holidays or on Sunday during the day.

### How will the work affect you?

Some work activities may be noisy. We will do everything we can to minimise noise impacts, including using quieter equipment where we can, turning off equipment and vehicles when they are not in use and completing noisier tasks by midnight.

We are continuing to work as hard as we can to complete this project as quickly as possible. If you have any concerns about the ongoing work schedule please send your comments to our delivery partner, Ward Civil, on 1800 897 841 or at [projects@wardcivil.com.au](mailto:projects@wardcivil.com.au).

## Traffic changes

Minor traffic disruptions will have traffic control measures in place. Access to driveways and buildings will be maintained at all times.

Due to works required to be carried out at night, we will utilise traffic control setups that will affect traffic flow around the Woodville Road and Parramatta Road intersection. Traffic changes may affect travel times.

Please keep to speed limits and follow signs and traffic controllers' directions.

For traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.
