AUGUST 2014

## Night investigation work on Guildford Road, Guildford – Pinch Point Program

Roads and Maritime Services is planning to carry out utility investigation work on Guildford Road between Grassmere Street and Lough Avenue from Sunday 31 August.

Roads and Maritime is developing a proposal to improve the intersection of Woodville Road and Guildford Road, Guildford.

The proposal is part of the NSW Government's \$246 million Pinch Point program which aims to reduce delays, manage congestion and maintain travel times on Sydney's main roads particularly during week day peak periods.

To minimise traffic disruptions, investigation work will be carried out in **two shifts** from **9pm to 5am** between **Sunday 31 August and Wednesday 3 September**, weather permitting.

This work will include checking where the utilities are, marking the locations and excavating small areas next to the road to inspect them.

Roads and Maritime has contracted Leighton Boral Amey Joint Venture to do this work.

### **Changed traffic conditions**

Minor delays are expected due to changed traffic conditions. Lane closures will be in place while work is carried out to ensure safety of road users and workers. Road users are asked to follow the direction of traffic controllers, adhere to reduced speed limits and follow traffic signs.

Traffic controllers will operate to ensure vehicles are not parked on the parts of Guildford Road included in the night investigation work. Your assistance with parking in designated areas is appreciated.

There will be noise associated with this work, but every effort will be made to minimise the impact on residents and businesses.

Roads and Maritime and Leighton Boral Amey Joint Venture apologise for any inconvenience this night work may cause and appreciate the patience of residents and road users.

Up to date information, including any date changes and detours will be displayed on electronic message signs along the road.

For more information please contact Leighton Boral Amey Joint Venture on 1800 677 700 or email [nswenquiries@lbajv.com.au](mailto:nswenquiries@lbajv.com.au)

Outside business hours, or for more information on scheduled road work, visit [www.livetraffic.com](http://www.livetraffic.com) or download Live Traffic NSW App or call 132 701.

## Translating and Interpreting Service
