Summary Scope:

School Zone Alert Sign (SZAS)

Evaluation Reference:	ITS-EV0316	Approver	Snr Manager Specifications & Evaluations
Approver Signature:	<i>Raj J Roychoudhry</i>	Date	13 th June 2023

A) TfNSW Specification, and version (if applicable):

TSI-SP-083 version 2.0

B) Description and itemisation of the equipment covered:

SZAS model 105-131.

Type LA and Type L.

Solar powered, with range of sizes of solar panels to meet varying site conditions.

Sizes B and C.

Mast arm mount available.

C) Scope of use for which acceptance applies.

Normal uses of solar powered SZAS.

D) Conditions of use

- 1) The approval only covers solar powered signs; no mains-powered sign was included in the submission.
- 2) The posts for the sign must be accurately placed to aim the sign, as the sign's mounts do not incorporate a means to trim the aim direction.
