• Buses replace trains between Dapto and Central, and also between Port Kembla and Wollongong.
Please use this feedback form to advise of any issues in regards to trackwork information advertised internally to staff or externally to our Sydney Trains and NSW TrainLink Intercity customers.

Feedback is sought in regards to trackwork signage, Special Train Notices (STN), website information, customer train or bus timetables or alternative transport arrangements.

The purpose of this trackwork debrief is to improve the service we provide to our customers during future track possessions. All Sydney Trains and NSW TrainLink staff are encouraged to complete this form when required.

Feedback
Please provide as much information as possible:
- what went well, what didn't, how this affected our customers or how you feel we could improve
- include STN, bus route number, bus company, trackwork poster/signage details or URL details

Please add additional pages if required.
