

Transport Access Program

Blacktown Station Upgrade

COMMUNITY NOTIFICATION

DECEMBER 2017

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Construction work in progress for the new footbridge – November 2017

Upcoming construction activities

Over the coming months, you may notice the following activities on site:

- finalising the installation of structural steel, roof sheeting and gutters to the new footbridge
- excavation and installation of drainage
- upgrading of curbs and gutters within the bus terminal
- form work for traffic barriers within the bus terminal
- installation of mesh screens along the footbridge
- installation of cable trays and electrical services
- fit out for the lifts on platforms 1/2 and 3
- concrete works.

Night works

To minimise disruption to passengers, some work activities will be undertaken at night including the installation of structural steel, roof sheeting and gutters to the new footbridge and upgrades to curbs and gutters within the bus terminal. These activities will be carried out during the following periods:

- **Tuesday 5 December to Saturday 9 December 2017 from 10pm to 5am each night**
- **Monday 11 December to Friday 15 December 2017 from 8pm to 5am each night**
- **Monday 18 December to Friday 22 December 2017 from 8pm to 5am each night.**

These activities have been planned to minimise noise and limit the impact on local residents.

The **George Street T-way** leading to the roundabout will be **CLOSED** to buses on the following nights between **8pm to 5am**:

- **Monday 11 December to Friday 15 December 2017**
- **Monday 18 December to Friday 22 December 2017.**

Diversion routes will be in place and buses will access the Blacktown bus interchange via Third Avenue. The following changes to bus services will be in effect:

- **Stand L bus services 611 and 630 will be relocated to Stand H**
- **Stand K bus services 705 and 711 will be relocated to Stand H**
- **CDC Hillsbus services 705 and 711 will be temporarily suspended from Devitt and Sackville T-way bus stops. To access services 705 and 711, please use the bus stop at Sackville Street before Peter Street.**

Signage will be installed to notify users of these changes.

Weekend work – Friday 15 December to Monday 18 December 2017

From **10pm Friday 15 December to 5am Monday 18 December 2017**, works are planned during a Sydney Trains scheduled track work weekend (for information regarding rail services during the weekend works, kindly contact the Transport Infoline on 131 500).

Work activities will include:

- removal of concrete barriers and hoarding and installation of temporary fencing where required
- removal of underground concrete line
- installation of downpipes, flashing and gutters on Platform 1/2
- installation of cladding and flashing on the main concourse connection.

There will be a partial closure of the car park on Boys Avenue from 5pm Friday 15 December to 5am Monday 18 December 2017 to assist with these works. This will mean the loss of approximately 30 parking spaces. Signage will be installed to notify users of which parking spaces are unavailable within the car park during this period.

What equipment will be used?

The following equipment will be used during construction:

- power and hand tools
- cranes
- generators
- elevated work platforms
- rattle guns
- construction vehicles
- excavators
- forklifts
- oxy kits
- grinders
- light towers
- jackhammers
- road saws

Some of the works may be noisy. Every effort will be made to minimise the impact to commuters, nearby residents and businesses. Where required, traffic controllers will be on site to facilitate safe pedestrian and vehicle movements.

Construction hours

All other work will continue to be carried out during standard construction hours which are **7am to 6pm Monday to Friday and 8am to 1pm Saturday**. The community will be notified of any works outside of these hours prior to the works commencing. We apologise for any inconvenience caused and thank you for your cooperation during these important works.
