

Infrastructure & Services Response

Government Information (Public Access) Act 2009

TfNSW has received an application from Jodi McKay MP under the *Government Information (Public Access) Act 2009* (GIPA Act) for access to information about property acquisitions related to the Northern Beaches B-Line project.

Responses to the information requested are as follows:

1) The cost of all land acquired, including B-Line related commuter car parks. This is to include the costs of lands acquired to date and also the anticipated costs of future acquisitions.

- Cost of land acquired to date: \$31,520,001

The anticipated costs of future acquisitions are not known by TfNSW and are yet to be determined.

2) The costs associated with land acquisition, including legal services

- Legal service cost to date and to complete: \$1.2m
- Budget remaining for partial land acquisition remaining sites: \$7.4m

3) The number of blocks that have been acquired.
