Subject: NSWCA Response to P2P Regulations - FINAL 8th May 2017
Date: Tuesday, 9 May 2017 9:55:20 AM

I am a sole operator/driver of a private hire car and a member of the New South Wales Hire car Association.

I am deeply concerned for my future and that of the private hire car industry in NSW and fully support the final submission by the NSWCA regarding the proposed P2P Regulations.

Kind regards,

Christopher Ford
