How to use the Register

- All places below are listed on the RailCorp S170 Heritage & Conservation Register. Items also listed on the NSW State Heritage Register are identified in the column 'SHR'.
- Some information in the inventories may not be complete. A detailed heritage assessment may be required to support understanding heritage significance prior to commencement of major works at a heritage site.
- Sites with a previous Conservation Management Plan prepared are identified in the column 'CMP'. Some CMPs may no longer be current and should only be referred to as reference documents. Please confirm with a Sydney Trains heritage specialist the currency of a CMP.
- Press **Ctrl + click** on the name of the place in the first column in order to be directed to the detailed heritage inventory sheet for each item.
