(a) The Independent Certifier acknowledges and agrees that this deed poll is for the benefit of BDA and the Central Barangaroo Developer.

(b) This document operates as a deed poll and is enforceable against the Independent Certifier in accordance with its terms by BDA or the Central Barangaroo Developer, even though BDA and the Central Barangaroo Developer are not a party to this deed poll.

(c) This deed poll may not be revoked or otherwise modified without the prior written consent of BDA and the Central Barangaroo Developer.

3. Services

(a) Without limiting any other clause of this deed poll the Independent Certifier must carry out the Independent Certifier Services under the Barangaroo/Metro Interface Agreement for the benefit of BDA and the Central Barangaroo Developer.

(b) Without limiting paragraph (a) the Independent Certifier must provide BDA with all certificates required from the Independent Certifier under the Barangaroo/Metro Interface Agreement within the time frames required by the Barangaroo/Metro Interface Agreement.
4. **Warranties**

(a) The warranties, covenants and acknowledgments set out in the Independent Certifier Deed are repeated for the benefit of BDA and the Central Barangaroo Developer and are enforceable by BDA or the Central Barangaroo Developer against the Independent Certifier.

(b) Without limiting any other clause of this deed poll the Independent Certifier covenants with BDA and the Central Barangaroo Developer that the Independent Certifier Deed operates as if the Barangaroo/Metro Interface Agreement were a Project Agreement within the meaning of that term in the Independent Certifier Deed.

5. **Indemnities**

5.1 **Indemnity**

(a) The Independent Certifier is liable for and indemnifies each of BDA and the Central Barangaroo Developer against any liability, loss, claim, expense or damage which it may pay, suffer or incur in respect of:

(i) any damage to or loss of property; or

(ii) death of or injury to any person,

insofar as the liability, loss, claim, expense or damage arises out of the act, error or omission of the Independent Certifier, its employees, agents or consultants in respect of or in relation to the Independent Certifier Services referred to in clause 3.

(b) The Independent Certifier's liability to BDA or the Central Barangaroo Developer under this clause 5 will be reduced proportionally to the extent that a negligent act or omission of BDA or the Central Barangaroo Developer (as applicable) may have contributed to the loss or damage.

5.2 **Indemnity survives**

Each indemnity contained in this deed poll:

(a) is a continuing obligation despite a settlement of account or the occurrence of any other thing, and remains fully effective until all money owing, contingently or otherwise, under an indemnity has been paid in full;

(b) is an additional, separate and independent obligation and no one indemnity limits the generality of another indemnity; and

(c) survives the termination of this deed poll.
7. **No payment by BDA**

For the avoidance of doubt, the Independent Certifier acknowledges and agrees that BDA will have no obligation to make any payments whatsoever to the Independent Certifier caused by, arising out of or in connection with the Independent Certifier Services.

8. **Severability**

If any provision of this deed poll is illegal, void, invalid or unenforceable for any reason, all other provisions which are self-sustaining and capable of separate enforcement will, to the maximum extent permitted by law, be and continue to be valid and enforceable.
