

Transport Access Program Hazelbrook Station Upgrade

Have your say

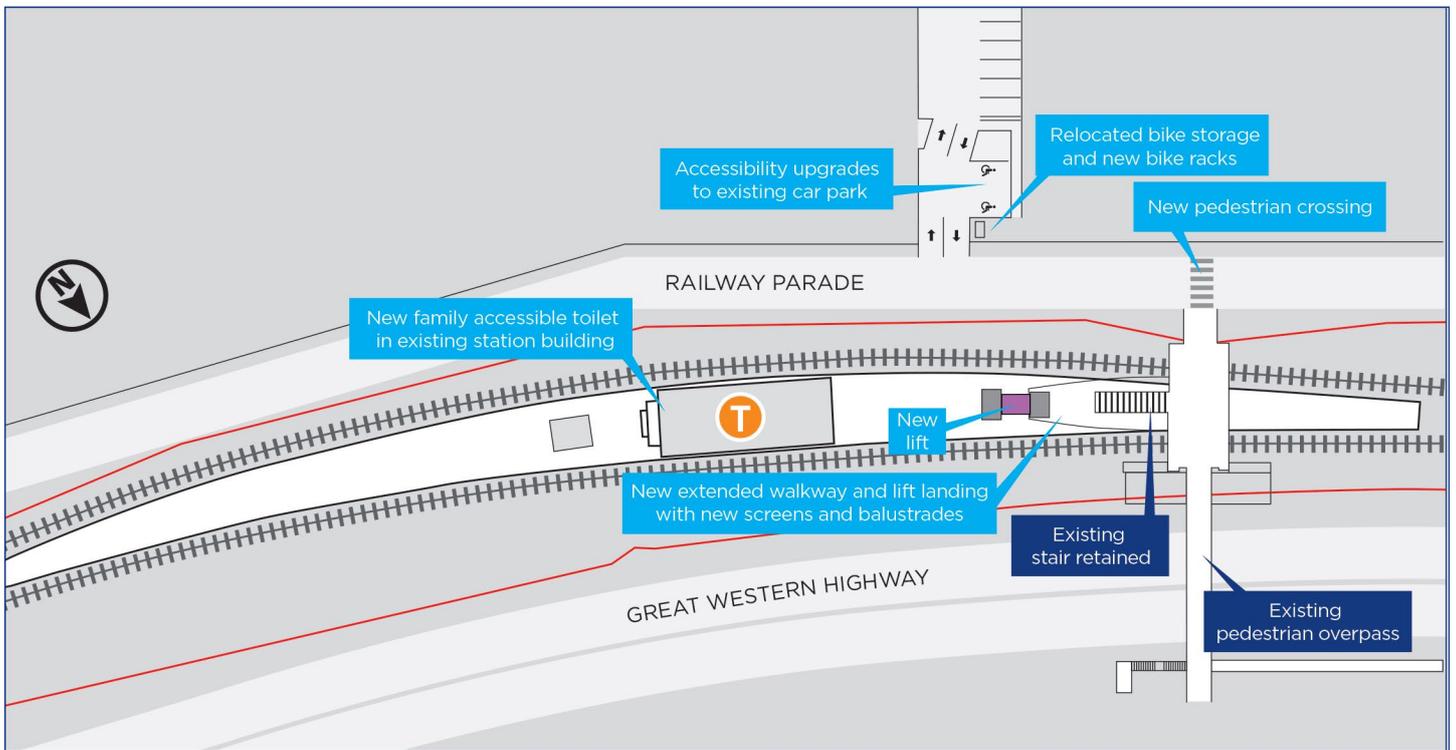

The NSW Government is improving accessibility at Hazelbrook Station

Have your say on the proposed improvements to Hazelbrook Station. Key features include:

- a new lift to provide access to the station platform
- upgrades to provide accessible pedestrian pathways between station facilities
- two upgraded accessible parking spaces in the commuter car park
- improved amenities such as a family accessible toilet and upgrades to CCTV and wayfinding.

For more information call 1800 684 490

- www.yoursay.transport.nsw.gov.au/hazelbrook
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Lawson Library**
Loftus St, Lawson
- **Blue Mountains City Council**
Upper Mountains Office
2-6 Civic Place, Katoomba
- **Blue Mountains City Council**
Lower Mountains Office
104 Macquarie Road, Springwood

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program – Hazelbrook**
Associate Director Environmental Impact Assessment
Transport for NSW
Locked Bag 6501, St Leonards NSW 2065

Please provide your feedback
by **5pm Thursday 6 December 2018**.

**Your feedback will help Transport
for NSW understand what is
important to customers and
the community.**

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Hazelbrook Station upgrade would aim to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

Next steps

Subject to planning approval, construction is expected to commence in 2019 and be completed in 2021.

Transport for NSW develops initial concept design options for the project including identification and consideration of environmental constraints, risks and opportunities.

We are here

Transport for NSW prepares a Review of Environmental Factors (REF) for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submission report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.
Conditions of Approval made available on Transport for NSW website.

Construction commences subject to compliance with conditions.

Come and meet the Transport for NSW project team

The Transport for NSW project team will be located at Hazelbrook Station on the following dates to answer any questions you may have on the project:

- **Monday 3 December 2018 4pm-6pm**
- **Tuesday 4 December 2018 4pm-6pm**

Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

The Review of Environmental Factors (REF) is a planning document outlining the proposed works, potential impacts and mitigation measures.

The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Biodiversity, Visual Impact, Noise and Vibration and Heritage.

Artist's impression of the proposed Hazelbrook Station Upgrade, subject to detailed design.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
