

Transport Access Program

Merrylands Commuter Car Park

COMMUNITY NOTIFICATION – CAR PARK OPENING

August 2018

Transport for NSW in conjunction with delivery partner A W Edwards has improved commuter parking at Merrylands Station through the construction of approximately 95 new parking spaces across two locations. This project has been delivered as part of the NSW Government's Transport Access Program.

Project Update

The Merrylands Commuter Car Park project will be open to the public in the coming weeks. This project has delivered additional parking spaces on Terminal Place and Railway Terrace providing extra parking capacity to and from Merrylands Station as demand grows.

Key Benefits:

- Within the existing commuter car park adjacent to Merrylands Station and near the bus interchange 3 additional levels have been constructed providing approximately 70 additional spaces including 6 new accessible parking spaces.
- New lift and stairs at the existing commuter car park to improve accessibility to the station and the bus interchange.
- 23 at-grade 90-degree angle parking spaces and improved lighting along Railway Terrace, approximately 300 metres north-east of Merrylands Station
- Installation of CCTV security cameras at existing commuter car park to improve security.

Transport for NSW thanks you for your patience and co-operation during the construction of this project.
