

Transport Access Program

Panania Station Upgrade

PROJECT COMPLETION NOTICE

JULY 2018

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Panania Station Upgrade is now complete and the station is fully accessibly for all commuters. Downer and Transport for NSW would like to thank the community for their patience during the completion of these important works.

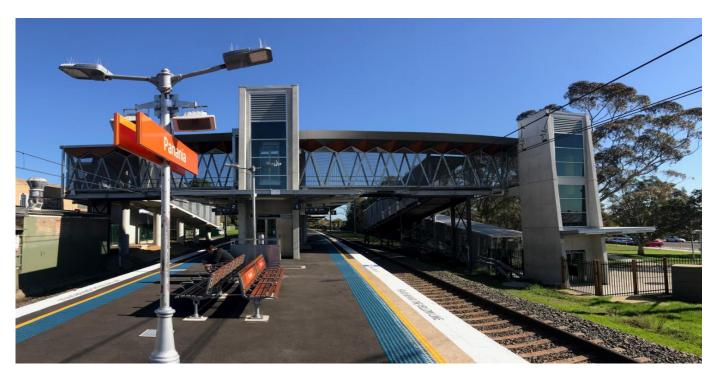

Upgrades to Panania Station included:

- Three new lifts to provide access to the platform
 and forecourts
- Upgraded family accessible toilet and station building upgrades
- Platform resurfacing including installation of tactile ground surface indicators
 - Three accessible parking spaces on Braesmere
 Road
- Installation of additional opal card readers
- New platform bins and seating

- Footbridge and ramp upgrades resurfacing, antithrow screens and handrails and canopies
- CCTV and lighting
 - Additional bicycle facilities on both sides of the station
 - Landscaping and civil works, garden bed and trees in the corridor
 - Painted mural on the Southern entry of the station

July 2017 – During construction

July 2018 - Completion

Installation of upgraded bins, opal card readers, wayfinding signage, platfrom resurfacing, canopies and ramps.

Lift and ramp from Anderson Avenue northern entry to the upgraded and resurfaced footbridge with antithrow screens and a new weather protection canopy, with unique timber soffit design.
