

Transport Access Program

Rooty Hill Station Upgrade and Commuter Car Park

AUGUST 2018 COMMUNITY NOTIFICATION

The NSW Government is improving accessibility and commuter parking at Rooty Hill Station. This project is being delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Early works for the Rooty Hill Station Upgrade have commenced. This work involves power supply upgrades and relocating electrical services. RCR Infrastructure is completing this work on behalf of Transport for NSW.

Upcoming activities

Work in August includes cable installation and pulling work inside the rail corridor. The construction hours for this work are from **Monday to Friday from 7am to 6pm and Saturdays and Sundays from 8am to 4pm.**

Day and night works

Temporary road closure North Parade – 1 August to 10 August

Further to our July notification, we will continue to install conduits within North Parade. A temporary road closure will remain in place along **North Parade, between Premier Lane and Station Street until Friday 10 August.** This will ensure the safety of pedestrians, motorists and workers.

Work will be undertaken 24 hours a day during this time and will also include concrete cutting. Some of this work may be noisy and wherever possible, we will schedule noisier work during daylight hours to minimise impacts on the community.

Through traffic will be maintained at all times. Traffic control will be in place to safely direct traffic and pedestrians. Please follow directions and proceed carefully. Access to local properties will be maintained.

A map of the work area is provided overleaf.

Temporary closure of parking spaces – North Parade

Up to 25 car parking spaces will continue to be unavailable along a section of North Parade until **Friday 10 August**. This will allow the work described on page 1 to be carried out safely.

Weekend works

Friday 24 August to Monday 27 August

We will be working from **10pm Friday 24 August to 3am Monday 27 August** commissioning cables together with conduits within the rail corridor. These works are not expected to be noisy.

What you may notice

Some of this work may be noisy at times however we will take every possible step to minimise noise such as switching off equipment when not in use.

Equipment to be used includes excavators, trucks, flat bed cranes, ground roller, lighting towers, construction vehicles and various hand and power tools.

Workers will access the site via North Parade. Signage will be in place to assist pedestrians and vehicles in the area.

Map of work area

Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website transport.nsw.gov.au/projects/current-projects/rooty-hill-station-upgrade-and-commuter-car-park.
