

Transport Access Program

Waratah Station Upgrade

Have your say

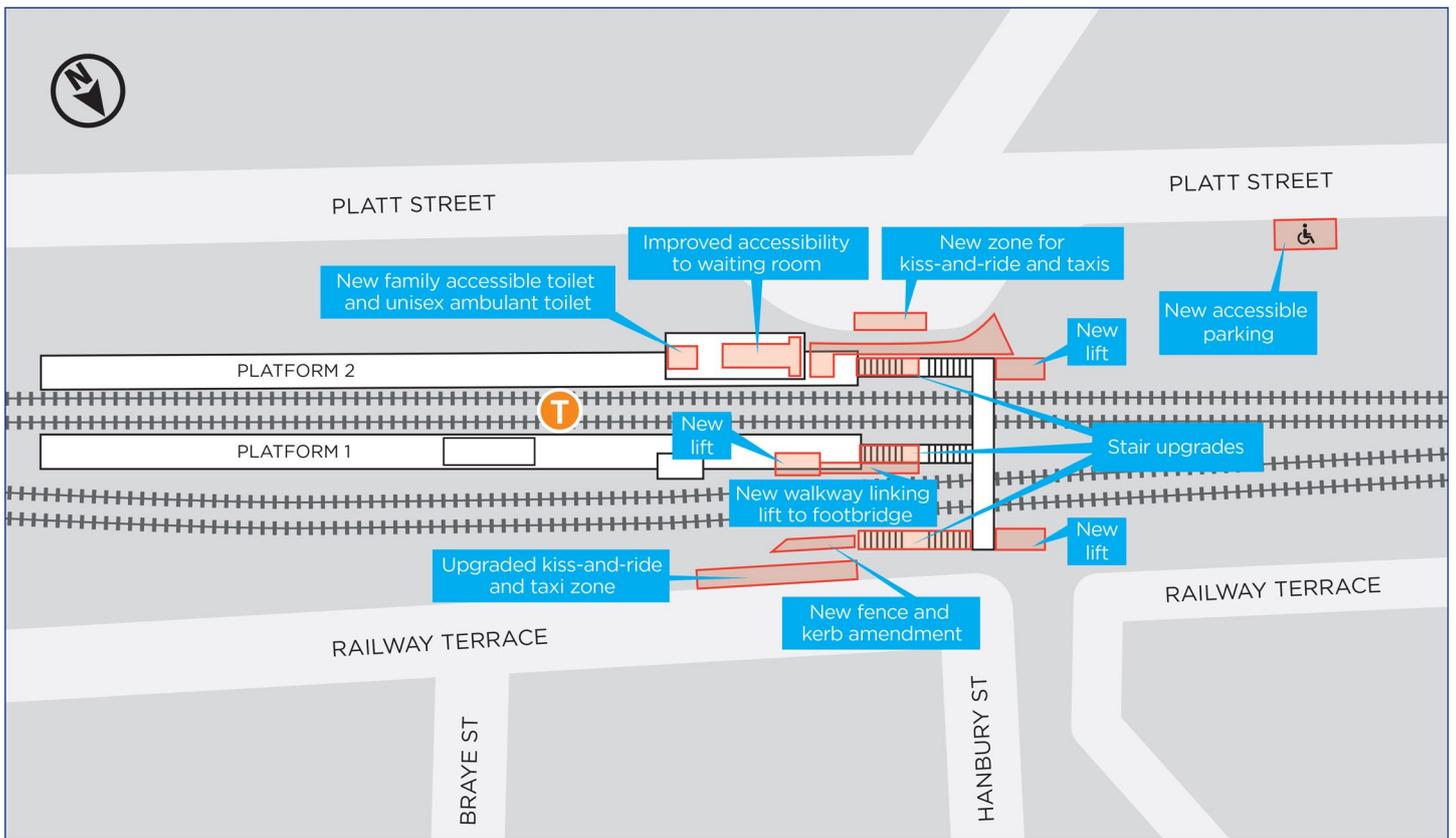

The NSW Government is improving accessibility at Waratah Station

Have your say on the proposed improvements to Waratah Station. Key features include:

- 3 new lifts to provide access to the station platforms
- a new walkway linking the lift to the existing footbridge
- a new accessible parking space on Platt Street
- a new family accessible toilet and unisex ambulant toilet
- upgrades to the existing stairs
- upgrades to the kiss-and-ride and taxi zone on Railway Terrace, and a new shared kiss-and-ride and taxi zone on Platt Street
- improvements to CCTV and lighting to increase safety and security
- new pedestrian pathways throughout the station precinct
- improved accessibility to the waiting room.

For more information call 1800 684 490

Key features of proposed Waratah Station Upgrade, subject to detailed design.

Have your say

The Review of Environmental Factors (REF) is on public display until **Thursday 13 December 2018**, and community feedback is invited during this time. To view the REF, please scan the QR code or visit:

- www.transport.nsw.gov.au/waratah
- www.yoursay.transport.nsw.gov.au/waratah
- **Transport for NSW Office**
Level 5, Tower A, Zenith Centre,
821 Pacific Highway, Chatswood
- **Mayfield Library**
104 Hanbury Street, Mayfield
- **Newcastle City Council**
City Administration Centre
282 King St, Newcastle

Feedback may be sent to:

- projects@transport.nsw.gov.au
- **Transport Access Program - Waratah**
Associate Director Environmental Impact Assessment
Transport for NSW
Locked Bag 6501, St Leonards NSW 2065

Please provide your feedback by **5pm Thursday 13 December 2018**.

Your feedback will help Transport for NSW understand what is important to customers and the community.

Transport Access Program

This project is being delivered as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure. As part of this program, the Waratah Station upgrade would aim to provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage.

Next steps

Subject to planning approval, construction is expected to commence in 2019 and be completed in 2020.

Transport for NSW develops initial concept design options for the project including identification and consideration of environmental constraints, risks and opportunities.

We are here

Transport for NSW prepares a Review of Environmental Factors (REF) for public display and invites submissions.

Transport for NSW assesses and responds to feedback and prepares a submission report/determination report with proposed conditions to minimise environmental impacts.

Transport for NSW determines the Proposal.
Conditions of Approval made available on Transport for NSW website.

Construction commences subject to compliance with conditions.

Come and meet the Transport for NSW project team

The Transport for NSW project team will be located at Waratah Station on **Thursday 6 December 2018** from **4pm-6pm** to answer any questions you may have on the project.

Feel free to drop in at any time during these hours.

If you have any questions, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au.

Review of Environmental Factors

The Review of Environmental Factors is a planning document outlining the proposed works, potential impacts and mitigation measures.

The document includes comprehensive assessments on the existing environment and expected impacts of the project on the following areas: Traffic and Transport, Biodiversity, Visual Impact, Noise and Vibration and Heritage.

Waratah Station, November 2018.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
