Car park opening soon

The new Ashfield Commuter Car Park is nearing completion and will open to the public in early March 2018.

The new facility will provide up to an additional 96 commuter car parking spaces, bringing the total to approximately 235 spaces.

The new car park will include:

- lift access for those with accessibility issues, parents with prams and customers carrying luggage
- new lighting and CCTV
- secure bike lock-up facilities
- wayfinding signage and new landscaping.

Thank you for your patience throughout construction

The opening of the car park will mark the completion of major construction activities for the Ashfield Commuter Car Park project. Minor modification works may be undertaken periodically in the weeks following the opening of the car park.

We appreciate construction can be disruptive for nearby residents, businesses and station users. This work has been critical to ensuring Ashfield Commuter Car Park stands up to the demands of the future and we thank you for your patience and understanding during this important work.

Standard construction hours

Work may be undertaken during standard work hours, which are **Monday to Friday from 7am to 6pm** and **Saturday from 8am to 1pm**.

Continual surveillance of noise generation, dust control and traffic and pedestrian impacts is undertaken in order to improve techniques and minimise the impact on the surrounding community.

We apologise for any inconvenience caused and thank you for your patience and cooperation during these important works
