## Style Guide

## Introduction

This style guide sets in place graphic standards to ensure a consistent look and feel when promoting NSW Bike Week. This is a state-wide event and, as such, NSW Bike Week promotional materials need to appeal to a broad audience from many communities and regions. As NSW Bike Week is a Transport for NSW sponsored event, this graphic style guide also references the Transport for NSW visual identity.

Should you have any queries about specific usage of the NSW Bike Week templates or require further assistance regarding the style guide, please contact:
