

# Transport Access Program

## Harris Park Station Upgrade

**Community Notification**

**April 2018**

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

### Project Overview

Work on the Harris Park Station Upgrade continues this month with the construction of a new car park on Station Street West providing around 11 2-hr timed car parking spaces. Civil works will occur mid this year to create a shared pedestrian zone on the Station Street West.

Works this month will include:

- Platform resurfacing
- Footbridge repaint and structural steel
- Cable and lighting containment footbridge
- Footbridge and concourse tiling
- Cladding works on stairs and canopy
- Installation of platform furniture
- Installation of roofing and gutters
- Installation of Hearing loops
- Installation of solar panel on the concourse
- Installation of tactiles

## Temporary changes to access - Station Street West

### From Monday 9 April 2018 to Monday 23 April 2018

During this period, access to Station Street West will experience intermittent closures (from Cambridge Street). Resident and pedestrian access will be maintained wherever possible. Traffic control and directional signage will be in place to direct pedestrians and vehicles safely around the detour.

**Intermittent closures will be in place at the following times:**

- Weekdays 7am to 6pm
- Weekends 2am Saturdays to 2am Mondays

### Upcoming out of hours works

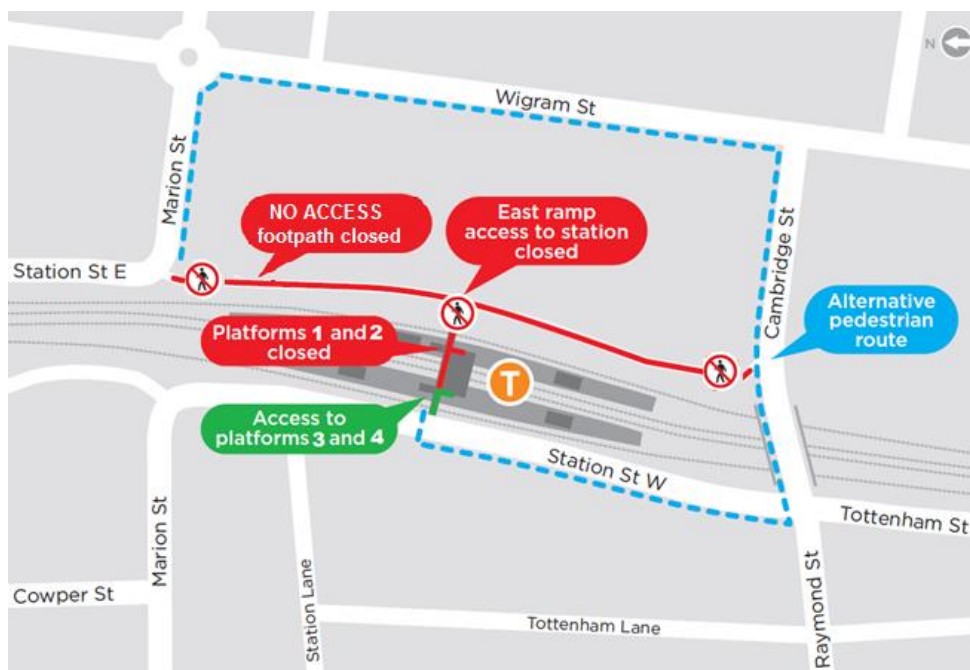

#### From 2am Saturday 14 April to 2am Monday 16 April 2018

Work this weekend will be undertaken on the eastern ramp and footbridge and platforms 1 and 2. During this period, trains will run on platforms 3 and 4 only, with regular rail services maintained. **This work may be noisy at times.**

### Temporary Change to Access

**Access to the footbridge from the eastern ramp will be CLOSED to pedestrians.** An alternate pedestrian route, via Wigram and Cambridge Streets, is indicated on the map below. Traffic control will be in place to direct pedestrians around the detour.

**Commuters can access trains running from platforms 3 and 4 from Station Street West.** Please see map below for station access, pedestrian routes and traffic detours. For enquiries regarding rail services normal operating from platform 3/4 during the weekend works, please contact **131 500**.

## From 2am Saturday 21 April to 2am Monday 23 April 2018

Work has been planned during a scheduled Sydney Trains shutdown to provide safe access for workers and minimise disruption to rail users.

### Temporary Changes to Access

**Harris Park Station Footbridge and the eastern ramp will be CLOSED** to pedestrians. Please follow detour signage and allow extra travel time over this weekend.

**Station Street West will be CLOSED to vehicles from Cambridge Street to Marion Street, with residents only access.** A detour will be in place for all other vehicles to travel around.

**Buses will replace trains from the relocated bus stop located on Station Street East.** Traffic controllers will be present to direct commuters to the relocated bus stop. **Please see map below for the location of train replacement buses and traffic detours. For enquiries regarding services during the weekend works, please contact the Transport Infoline on 131 500.**

Traffic control will be implemented to allow safe access for residents and to direct traffic and pedestrians around all detours. Residential pedestrian access will be maintained at all times, and businesses in the vicinity will operate as usual.

## Standard construction hours

Other construction on the Harris Park Station Upgrade will continue throughout the month during standard working hours, which are 7am to 6pm Monday to Friday, and 8am to 1pm Saturday. Any works occurring outside these standard hours will notified for prior to works commencing.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: [www.transport.nsw.gov.au/projects/tap/current-works/harris-park-station](http://www.transport.nsw.gov.au/projects/tap/current-works/harris-park-station). For further information on the project, please call the Project Infoline on 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

**We apologise for any inconvenience and appreciate your cooperation during these important works.**
