

# Transport Access Program

## Toongabbie Station Upgrade

**Community Notification**

**JANUARY 2018**

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

### Project Overview

The Toongabbie Station Upgrade will provide customers with new lifts, stairs, platform canopies, new family accessible toilets, improved bicycle facilities, lighting, and wayfinding signage.

### Out of hours works

#### From 6pm Tuesday 16 January to 6am Thursday 18 January 2018

Work will be undertaken to install tactile indicators on platforms 3 and 4 with the use of drilling equipment.

**Pedestrian access will be maintained at all times and trains will run as normal throughout this period.**

This work is not expected to be noisy and every effort will be made to minimise impact on the community.

#### From 6am Saturday 3 February to 10pm Sunday 4 February

Work has been planned as part of a scheduled Sydney Trains shutdown on platforms 1 and 4 to provide safe access for workers and minimise disruption to rail users. **Train services will run as normal with passenger trains leaving from platforms 2 and 3.**

Work activities over the weekend will include the repair of light pole footings on platforms 1 and 4 as well as roofing works on the footbridge. A crane will be operating on Wentworth Avenue with traffic control personnel present to direct traffic and pedestrians safely around the area. **Toongabbie Station footbridge will remain OPEN to pedestrians.**

## Standard construction hours

Construction works for the Toongabbie Station Upgrade will be undertaken throughout the month during standard working hours, which are

- 7am to 6pm Monday to Friday, and
- 8am to 1pm Saturday.

Notification of any works occurring outside of these standard hours will be given prior to works commencing.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: <https://www.transport.nsw.gov.au/projects/current-projects/toongabbie-station-upgrade>.
