

# Transport Access Program

## Victoria Street Station Upgrade

**Community Notification**

**February 2018**

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

### Project Overview

The Victoria Street Station Upgrade is creating an accessible station for customers, through the construction of new lifts, canopies, upgraded safety features and new station technologies.

*Victoria Street Station, June 2017*

*Victoria Street Station, January 2018*

For more information call **1800 684 490**,

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Upcoming out of hours works

### From 6pm Friday 9 February to 6am Monday 12 February 2018

During this period, refurbishment works are planned to be completed on the station building, including, but not limited to, the installation of new windows.

Trains will run as normal throughout this period, and pedestrian access will be maintained at all times. Every effort will be made to minimise the noise impact on nearby residents and businesses.

### Between 6pm to 6am from Tuesday 20 February to Friday 23 February 2018

Works have been planned during a scheduled freight line train shutdown period to provide safe access for workers and minimise disruption to rail users. Every effort will be made to minimise the noise impact on nearby residents and businesses.

Work activities will include:

- canopy fit out
- platform resurfacing
- upgrades to the station entrances
- cabling, station electrical and communication systems upgrades
- bus shelter upgrades on Victoria Street east
- Waller street road resurfacing

During these works, **the Victoria Street Station footbridge will be CLOSED during some night periods. A complementary shuttle bus service will operate** between Victoria Street and Waller Street during these times.

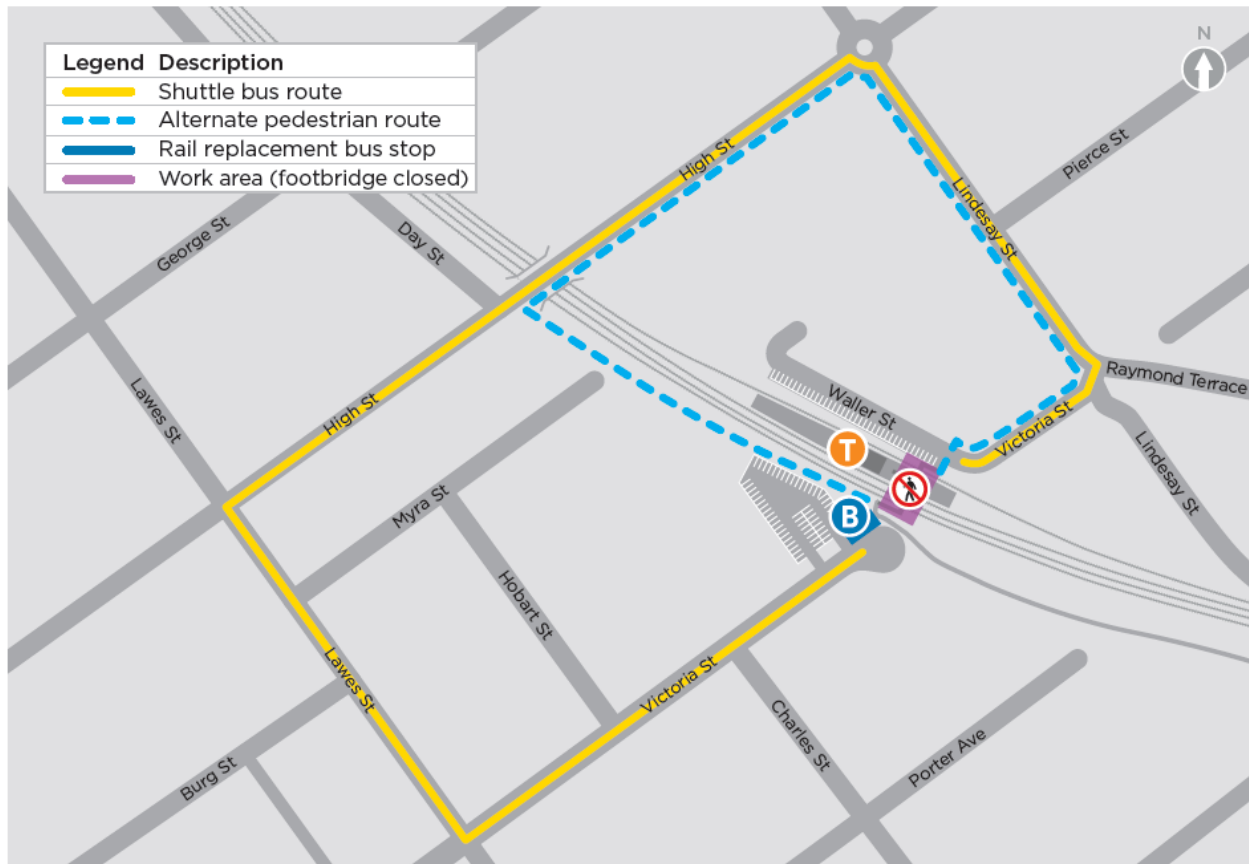

The shuttle bus will remain on Victoria Street, commuters leaving from Waller Street are to request the traffic control onsite to call the shuttle bus, to be picked up and transported to Victoria Street. Alternatively, pedestrians can use the walking track marked on the map on the following page.

Within this period, there will be some interruptions to passenger trains. **Buses will replace trains** from the relocated bus stop on Victoria Street. **For enquiries regarding rail services during these works, please contact the Transport Infoline on 131 500 or visit [www.131500.com.au](http://www.131500.com.au)**

**Please follow directional signage to the relocated bus stop, as indicated on the below map. Traffic control will also be present to direct pedestrians and commuters.**

## Temporary parking changes

From 6pm Monday 19 February to 6.30am Friday 23 February 2018, there will be no parking available in the Waller Street car park. Alternately, commuters can use the Victoria Street commuter car park.

## Standard construction hours

Construction for the Victoria Street Station upgrade will be carried out throughout the month during standard working hours, which are

- 7am to 6pm Monday to Friday, and
- 8am to 1pm Saturday

Notification of any works occurring outside these standard hours will be given prior to works commencing.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: [www.transport.nsw.gov.au/projects/current-projects/victoria-street-station-upgrade](http://www.transport.nsw.gov.au/projects/current-projects/victoria-street-station-upgrade). For further information on the project, please call the Project Infoline on 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

We apologise for any inconvenience and appreciate your cooperation during these important works.
