

# Transport Access Program

## Victoria Street Station Upgrade

**Community Notification**

**March 2018**

The Transport Access Program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

### Project Overview

Victoria Street Station upgrade has been rapidly progressing. This month, works will continue to upgrade the station building, installing wayfinding signage, new light poles, speakers and passenger information display units. Work to station platforms will also continue with refurbishment and platform furniture fitout including bins and seats. The southern and northern entrances to the station will also be getting a face lift this month with paving and landscaping works taking place.

### Upcoming out of hours works

**Between 7am and 7pm on Saturday 24 and Sunday 25 February 2018**

During this period, refurbishment works will be undertaken on the station building with the installation of new heritage style windows on the station building.

For more information call **1800 684 490**,  
Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/projects-tap](http://transport.nsw.gov.au/projects-tap)  
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Trains will run as normal throughout this period and pedestrian access will be maintained at all times. Every effort will be made to minimise the noise impact on nearby residents and businesses.

## **From 2am Saturday 17 March to 7am Monday 19 March 2018**

Works have been planned during a scheduled rail shutdown to provide safe access for workers and minimise disruption to rail users. Every effort will be made to minimise the noise impact on nearby residents and businesses.

You may notice the following activities:

- Platform 1 stabilisation works
- Victoria Street Station south Commuter Carpark resurfacing, signage and line marking
- Concrete pump established on Waller street for platform concreting works

**Within this period, there will be some interruptions to passenger trains. Buses will replace trains from the bus stop on Victoria Street. For enquiries regarding rail services during these works, please contact the Transport Infoline on 131 500 or visit [www.131500.com.au](http://www.131500.com.au)**

Traffic control will be present to direct pedestrians and commuters.

### **Temporary parking changes:**

From 6pm Friday 16 March to 2am Monday 19 March there will be **no parking available in the Victoria Street Commuter Carpark to facilitate the aforementioned carpark asphalt resurfacing and line marking works**. Alternately, commuters can use the **Waller St car park**.

## **Standard construction hours**

Construction for the Victoria Street Station upgrade will be undertaken throughout the month during standard working hours, which are

- 7am to 6pm Monday to Friday, and
- 8am to 1pm Saturday

Notification of any works occurring outside these standard hours will be given prior to works commencing.

## Keeping the community informed

The community will be kept informed with regular project notifications and information via the project website found at: [www.transport.nsw.gov.au/projects/current-projects/victoria-street-station-upgrade](http://www.transport.nsw.gov.au/projects/current-projects/victoria-street-station-upgrade). For further information on the project, please call the Project Infoline on 1800 684 490 or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

**We apologise for any inconvenience and appreciate your cooperation during these important works.**
