

Minor construction work at Wynyard Station in January 2018

In planning for Tomorrow's Sydney we have upgraded Wynyard Station to provide increased customer capacity and an improved gateway to Barangaroo and Sydney's financial district.

What we're doing at Wynyard

The York Street entrance at Wynyard Station is now open to the public, providing access from York Street to Wynyard Station, Wynyard Walk and the surrounding precinct.

In January, we will carry out minor construction work at Wynyard Station and Wynyard Walk during the following hours:

Day works: 7am to 6pm Monday to Sunday

Night works: 7pm to 6am Monday to Sunday

Work in January includes completion of finishes and electrical services and the final changeover of electrical supply at the station. Work will also take place to install media screens at Wynyard Walk outside of peak times.

Work will take place on the concourse, at Wynyard Walk, at the York Street entrance, at the York Street escalators and on the platforms outside of peak times.

How will this work affect you?

Pedestrian changes

Parts of the concourse and platforms may be temporarily unavailable outside of peak times while work is completed. Signage will be installed to notify users.

Traffic changes

Deliveries to and from the site may occur via York Lane, 24 hours a day, seven days a week. Subject to approval, deliveries may also be made via York Street between 10pm and 5am, Monday to Sunday. Large and oversize deliveries at night may require a partial road closure.

Traffic controllers and signage will be in place to ensure the safety of pedestrians and road users.

Noise and dust

You may experience some noise during this work from drilling, hammering and use of hand tools during construction hours. Every effort will be made to reduce the impact to residents and businesses while work takes place. Where required, any dust generating activities will be watered down and vehicles will be switched off when not in use to minimise noise.

Contact information

For general project enquiries, please call **1800 684 490** or email projects@transport.nsw.gov.au. If you have any urgent enquiries or complaints during these works, please contact the **24-hour Construction Response Line on 1800 775 465**.
