

Transport Access Program

Fairy Meadow Station

Project update

December 2019

The Transport Access program is a Transport for NSW initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Project overview

Artist's impression – subject to detailed design

Due to some design changes, site establishment and construction activities scheduled for November have been postponed to take place in December. This month, work will include:

- site set-up
- lift shaft preparation work including piling, excavating and concreting
- installation of scaffolding, protection barriers and temporary fencing
- upgrades to station pathways and ramps

Most of these activities will take place during standard construction hours between **7am and 6pm Mondays to Fridays and Saturdays 8am to 1pm.**

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/fairy_meadow
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Weekend work

To improve the safety of workers, pedestrians and motorists, some weekend work will take place this month. This work will take place:

- From **5am Saturday 7 December to 9pm Sunday 8 December**
This weekend work is dependent on activities completed earlier in the week, and may not be required.
- From **7am Saturday 14 December to 5pm Sunday 15 December**
This work will take place during a scheduled Sydney Trains track work period, where no trains will be running. Please visit transportnsw.info or call 131 500 for up to date information regarding service updates and replacement buses during this time.

The existing ramp connecting the commuter car park to platform 2 will be demolished and upgraded to comply with accessible standards. Some of this work may be noisy and mitigation measures will be in place to reduce noise associated with the work. This includes turning off vehicles when not in use, monitoring noise levels, using non-tonal reversing beepers and stopping work to allow for regular respite periods.

We understand upgrades to the station can bring some inconvenience during construction and thank you for your patience during this time. Work on the Fairy Meadow Station Upgrade is scheduled to end for the year on **Tuesday 24 December**. The construction crew will re-open the site in early January next year, with the station upgrade expected to finish by mid-2020.

Keep in touch

We will continue to keep the community informed with regular project updates. Further information is available on the project website www.transport.nsw.gov.au/fairy-meadow. If you would like to be added to the project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**

Transport for NSW and Degnan Constructions wish you a safe and happy holiday season!
