

# Transport Access Program

## Kingswood Station Upgrade

Community Notification

December 2019

### Project update

The Kingswood Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

### Work planned for December

During December finishing work will be completed at the station. Activities scheduled include:

- completion of landscaping
- minor defect rectification
- electrical work
- minor work to complete the lift shafts.

The work will be completed during standard work hours, **7am to 6pm, Monday to Friday and 8am to 1pm Saturdays.**

### Weekend work – Saturday 14 December

To ensure the safety of our customers and staff, work to commission the new station power supply will be undertaken on **Saturday 14 December between 6am and 6pm.**

Hand tools and generators will be used to complete the work.

### Project completion – late December 2019

Transport for NSW and Downer EDI would like to thank the community for their continued support and cooperation as we approach the completion of the Kingswood Station Upgrade.

Major construction commenced in January 2019 and the project team have worked hard to deliver the upgraded station which now includes:

- two new lifts and stairs to provide access to each station platform
- new accessible pathways throughout the station precinct
- new station entrances on the Great Western Highway and the corner of Park Avenue and Richmond Road
- improved amenities such as a new ambulant toilet and family accessible toilet
- upgraded CCTV and lighting for improved safety and security.

For more information call **1800 684 490**,

Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/kingswood](http://transport.nsw.gov.au/kingswood)

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

As a result of the communities' patience, understanding and support, the project will be completed on time and will deliver a fully accessible, secure and integrated station for all customers to enjoy.
