

Transport Access Program

North Strathfield Station Upgrade

Community Notification

November 2019

Project update

The North Strathfield Station Upgrade is part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

Queen Street entrance to North Strathfield Station

Work undertaken in October included:

- commissioning of newly installed lift cars and equipment
- installation of new handrails and kick plates at the new lifts
- landscaping throughout the station precinct
- platform regrading.

Work planned for November

During November the following activities will take place:

- installation of new tactiles to platforms and other station areas
- completion of handrail and kick plate installation at lift shafts
- installation of roof safety systems
- installation of wayfinding signage throughout the station
- station cleaning and site demobilisation.

Upcoming night work

Due to significant customer movements throughout the station during the day, upcoming night work is required to install tactile indicators on the platforms and throughout the station precinct. The work will be undertaken over eight nights, with a break in the work over the weekend.

The work will be undertaken on the following nights:

- 8pm Monday 4 November to 6am Tuesday 5 November
- 8pm Tuesday 5 November to 6am Wednesday 6 November
- 8pm Wednesday 6 November to 6am Thursday 7 November
- 8pm Thursday 7 November to 6am Friday 8 November
- 8pm Friday 8 November to 6am Saturday 9 November
- 8pm Monday 11 November to 6am Tuesday 12 November
- 8pm Tuesday 12 November to 6am Wednesday 13 November
- 8pm Wednesday 13 November to 6am Thursday 14 November

Equipment to be used will include hand held tools, a generator and lighting tower.

Thank you for your patience while we complete this important work.
