

# Transport Access Program

## North Strathfield Station Upgrade

Community Notification

July 2019

### Changes to pedestrian access

From **16 July until mid-September 2019** access to North Strathfield station via the Hamilton Street East access ramp will be closed to allow the upgrade of North Strathfield station to continue.

A temporary pedestrian detour will be established from George Street to Pomeroy Street and along the walk way adjacent to the rail corridor connecting to North Strathfield station as outlined in the map below. North Strathfield station will remain open and access to the platforms will not be affected.

The kiss and ride space located on Hamilton Street East will be closed for the duration of this work. An alternate kiss and ride is available on Queen Street on the northern side of the train station.

## Night work – Monday 22 July

For one night this month, out of hours work will be undertaken in addition to standard working hours to allow for improved safety of our customers and the community.

Between **12am and 4am on 22 July 2019** work to deliver materials onto platforms 1 and 2 will occur while no train services are running.

All other upgrade activities in July will be undertaken during standard working hours from **7am to 6pm, Monday to Friday and 8am to 1pm Saturdays.**

## What equipment will be used?

Equipment to be used during standard work hours will include:

- scissor lifts
- delivery trucks
- construction vehicles
- cranes
- excavator
- lighting towers
- power and hand tools

## Keep in touch

If you would like to speak with the project team about this work, please call us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

We understand upgrades to the station can bring some inconvenience during construction and thank you for your patience during this time.
